

Deserts & Tombs from only £530pp*

9 OR 10 DAYS / SMALL GROUP OR PRIVATE TOUR / ECONOMY TOUR /

Isolated in a sea of sand, Egypt's western oases aren't visited by tourists much, and provide the chance to get away from the tourist trail and into a landscape mainly untouched by man. This tour does a loop through the Western desert visiting the Bahariya, Farafra, Dakhla and Kharga oases en-route to Luxor, where we visit the main sites on both banks of the Nile before returning to Cairo. We also feature an overnight jeep safari into the stunning scenery of the White Desert.

DETAILED ITINERARY

DAY 1 / ARRIVE IN CAIRO

You arrive at Cairo airport where we greet and transfer you to your hotel. Our Egypt Uncovered rep. welcomes you, helps you settle into the hotel, and outlines the plan for the next few days.

Overnight at 3-star hotel in Cairo.

DAY 2 / CAIRO. PYRAMIDS & SPHINX TOUR

After breakfast we have a short pre-tour briefing before we take you on a tour of Giza and Saqqara. Giza was built around 4600 years ago as a necropolis (cemetery) for the pharaoh Khufu (Cheops). The successor of Sneferu, Khufu was known as a tyrant and in his arrogance decided to have built a tomb that was bigger and better than all others. At 500 feet high and 750 feet wide at its base the Pyramid of Khufu is an awesome man-made structure constructed of giant stone blocks with a hard limestone casing. The casing has, over the years, been stripped away to leave exposed the inner block structure. Together with the smaller pyramids of Khafre (Chephern) and Menkaure (Mycerinus), the majestic sight of these enormous structures rising out of the desert is a breathtaking spectacle.

Here you have the chance to climb inside one of the pyramids (there are a limited number of tickets available in the Great Pyramid, so we cannot guarantee entry), and also to take a camel ride (approx. £2-5 p/p for around 30mins).

Close by, the mysterious Sphinx stands guard, as it has done so for thousands of years. You have another guided tour around the sphinx and some free time to walk around and take photos.

Next stop is Saqqara, 25km to the south of Cairo. Djoser's (Zoser's) Step Pyramid (built 4700 years ago) dominates the skyline and is believed to have been the ancient Egyptians' first attempt at Pyramid building. The entire 7km stretch of desert at Saqqara is a treasure trove of pyramids, temples and tombs, which we will

have plenty of time to explore, while we learn about the history of pyramid building in Egypt.

For this, and all of your sightseeing tours, a local English-speaking Egyptologist guide will accompany you.

Finally we head back to the hotel where you will have a free evening and a chance to try one of the hotel's restaurants or head into town.

Overnight at 3-star hotel in Cairo.

DAY 3 / DRIVE TO BAHARYA OASIS

After breakfast, we checkout of our hotel and then drive to the Baharya Oasis (private AC car or minibus – approx. 4 hours).

Situated in a depression covering some 2000 sq km Baharya is divided between 4 villages, the largest of which is Bawiti. Famous for its dates, wine and hot springs it is a peaceful and picturesque setting amid the harsh, barren landscape of the desert. Here we stay in a basic but comfortable hotel. Depending on the time of arrival, we will either arrange a tour of the Oasis this afternoon, or tomorrow morning. This will include a visit to the English House, which is the ruined remains of a WW1 fort perched atop a nearby hill, some Greek & Roman tombs, a mummy museum, and The Black Mountain.

In the evening we have the chance to take a dip in one of the nearby hot springs.

Overnight at Safari camp in Baharya (B D).

DAY 4 / WHITE DESERT, JEEP SAFARI

After breakfast you have a little free time, or, if we didn't do the Oasis tour yesterday, we'll arrange it this morning. We then take a tour into the Black Desert using 4x4 jeeps. After lunch in a small village, we head into the White Desert. The White Desert is named after its white mica ground cover, and white rocks, shaped into curious toadstool, castles, and pillar like formations.

On the way we stop to visit huge golden sand dunes and the Crystal Mountain, a rocky outcrop consisting of quartz crystals that lie strewn across the sand. At the foot of the hill a natural rock arch stands defying gravity. From here we head to our campsite in the White Desert and along the way collect wood for the campfire.

Our guide will prepare our meal and then you can relax, reflect on the stunning desert scenery you've seen today, and appreciate the silence and bright starry night sky that can only be found in such a vast uninhabited place.

Overnight in White Desert (B L D).

DAY 5 / FINISH SAFARI. FARAFRA & DAKHLA OASES

We break camp this morning, and continue in the jeeps to the oasis at Farafra, where we take a short tour of the oasis and break for lunch. This is the smallest and most peaceful of the Western Desert oases, and many of the inhabitants are Bedouins who adhere to some of their ancient traditions. You'll see small mud-brick houses in the old area of town, many painted with verses of the Koran and paintings depicting their journeys to Mecca, and can stop to see the see the sand paintings, and sculptures of the world famous local artist, Badr Abd El Moghny.

From Farafra we leave the jeeps and drive on a good road to Dakhla Oasis, where we do a short tour including stops at Mut, Al Qasr, and Deir al Haggar. before checking into our hotel.

Overnight at hotel in Dhakla (B L D).

DAY 6 / KHARGA OASIS

We leave early this morning to drive to Kharga Oasis, visiting the ruins at Qasr al Labeka en-route. We do a short tour in Kharga, which includes visiting some of the tombs in the Necropolis. We will also visit the Temple of Hibis when restoration works there are completed. Kharga is a medium sized town, rather than a small oasis village, and we have the afternoon free here to relax and

explore.

Overnight at hotel in Kharga (B L D).

DAY 7 / DRIVE TO LUXOR. EAST BANK TOUR

The drive to Luxor normally takes around 4 hours with several checkpoints en-route. The town of Luxor is built on and around the ancient site of Thebes, and boasts the largest concentration of ancient ruins in the Nile Valley. To the West of the Nile lies the City of the Dead, with its mortuary temples and rock-hewn tombs, whilst to the east lie Karnak & Luxor temples.

This afternoon we take a tour of the East Bank, visiting the Temples of Karnak and Luxor. The great Temple of Amun at Karnak was once the religious centre of Thebes and Upper Egypt. It was linked to Luxor by an extensive avenue, lined with sphinxes, and the whole complex was in turn linked to the Nile via a canal through which moved the sacred boats of the god Amun. Entering through a smaller sphinx-lined avenue, built by Ramesses II, you come to the immense pylon entrance. Inside the huge Courtyard are three chapels dedicated to the gods Amun, Mut and Khous. The remarkable Hypostyle Hall has 134 towering columns, each carved with scenes of gods and pharaohs, and hieroglyphic inscriptions adorn the walls. Lying 3 km to the south of Karnak in the centre of town, the Temple of Luxor was built by Amenophis III and later enlarged by Ramses II. The partially damaged statues inside all represent Ramses II, and it was he who built the colonnaded forecourt. The Colonnade and Court of Amenophis III are perhaps the most striking parts of the temple.

Overnight at hotel in Luxor (B).

DAY 8 / LUXOR, WEST BANK TOUR. OVERNIGHT TRAIN TO CAIRO

After a very early breakfast, we take a tour to the West Bank of the Nile, starting with the Valley of the Kings. A hot air balloon flight is

available this morning over the west bank if you wish.

In the Valley of the Kings, you will see several of the elaborately painted underground tombs in which the Pharaohs were buried. Your guide will choose the best tombs open during your visit (the main entry ticket covers 3 tombs – extra visits are also available to the tombs of Tutankhamun and Ramses V & VI). Next we take you to visit the unique three-tiered Mortuary Temple of Queen Hatchepsut. Dedicated to the God Amun this temple complex framed by towering cliffs is a wondrous sight. We then visit Medinat Habu, a temple of Ramses III, which is not on most tourist itineraries, but has some of the very deepest carved hieroglyphs, and the best preserved coloured wall paintings, really giving you an idea of how these Egyptian temples looked in their prime. Finally you will stop to see the Colossi of Memnon, two huge 50 feet high statues of King Amenhotep II, before returning to Luxor for lunch. In the evening, we transfer to the overnight train back to Cairo (approx. 22.30-08.05, reclining seats, sleeper upgrade available).

Overnight on train to Cairo (B).

flights, extra city tours, sound & light shows etc.). Prices for these are set in Egyptian Pounds, and they are paid for while you are in Egypt. This gives you more flexibility and means you won't lose out if you were to book an option in advance and then not do it.

A - ADVANCE BOOKING OPTIONS

These may be booked by selecting them on our online reservation form, and can also be added after you have made your booking, subject to availability at the time.

Single room supplement - Price: £90

If you are a single traveller joining one of our Standard level group tours, then if you are happy to, you may share a twin room with another single traveller on the tour of the same sex. If there are no other single travellers available for you to pair up with at the time of your booking, then we will need to add the single supplement to your tour price, but will refund this if we are able to pair you up later on.

Note: Couples will always be given a private double room, and triple/family rooms are available on request.

Extra days - Price: subject to party make-up

These are available on request in Cairo before and after the main tour. If you want to add extra days into the time elsewhere, we can arrange this, but please request a tailor-made tour. The price includes a night in the hotel, breakfast, all taxes and transfers (single room supplements apply).

Sleeper train upgrade - Price: £30/£50 p/p each way (twin/single)

If you would like to upgrade your overnight train journeys from the 1st class carriage with reclining seats, to a sleeper train, we are happy to arrange this. On the sleeper train you get a private twin cabin, with seats, two fold down beds, a storage closet and sink. An

airline-style dinner and breakfast are included. The normal train we use has both reclining seats and sleeper cabins on it, but subject to availability you may need to travel on a different train with slightly different times.

Luxor/Cairo flight option - Price: on request

The sleeper train timings fit in well with the tour, but if you do want to upgrade, this option provides an extra night in the hotel, all transfers, and an internal flight with Egypt Air instead of the train.

Flights are subject to availability and prices are given on request.

Al Fayoum & Valley of the Whales - Price: see Options sheet

This option leaves Cairo in the morning of Day 10, and takes a private car/minibus or 4WD jeep via the Meidum Pyramid, one of the very first attempts at building a true pyramid, to the Fayoum area, about 90 minutes drive from Cairo. This extensively irrigated area is the most fertile region in Egypt and for centuries has supplied Egypt with wheat and numerous other crops. We stop to see the water wheels which have powered the irrigation for centuries, visit a natural spring, and see the Birket Qarn salt lake, home to many different birds including flamingos on one of the islands. We spend the night in a hotel by the lake (normally the 4-star Helnan Auberge).

The following morning we drive straight to the Wadi Rayan Protected Area, which surrounds a fresh-water lake in the middle of the desert, which is filled by the remaining irrigation water from the Fayoum area. There are several waterfalls here, and a bird hide which gives good views of the lakes birdlife, particularly in the winter months when the lake is an important stop for migrating water-birds. We also visit the Springs Oasis area, a rare example of an uninhabited Saharan oasis, and host to many different plants and animals, including Dorcas Gazelle, Ruppell's Sand Fox and Fennec Fox.

After a stop for a packed lunch, we then drive into the stunning

desert & mountain scenery of Wadi Hitan (Valley of the Whales). This World Heritage Site is accepted as the most significant site in the world to demonstrate the evolution of whales, and we take a 2-3km walk here to see several specimens of fossilised whales of different types sitting on the surface of the sand, as well as fossilised mangroves and the remains of crab holes.

We return this evening to Cairo where we spend a night in a hotel before the tour finishes on Day 12 with a transfer to the airport for your departure.

Day 10 - Morning drive via Meidum pyramid to Fayoum and tour. Overnight at hotel in Fayoum (B).

Day 11 - Full day tour to Wadi Rayan & Valley of the Whales. Drive back to Cairo. Overnight at hotel in Cairo (B L).

Day 12 - Cairo. Free time. Transfer to airport for departure. (B).

B - OPTIONS AVAILABLE IN EGYPT

You will receive more information on all the options available to you while you are in Egypt in the Welcome Pack we provide on your arrival, together with information on how and when to book and pay for them with your guide or our local reps.

Prices are set in Egyptian Pounds but payments may also be made with hard currency (GB Pounds, Euros, US Dollars) at our local exchange rate at the time, which is set monthly. Credit card payments are also accepted in Cairo for these payments (3% fee).

Hot air balloon flight - Price: see Options sheet

There is a minimum number of people required for the trips to run, and they are also weather dependent. It is rare however
