DETAILED ITINERARY

DAY 1 / ARRIVE IN CAIRO

You arrive at Cairo airport where we greet and transfer you to your hotel. Our Egypt Uncovered rep. welcomes you, helps you settle into the hotel, and outlines the plan for the next few days.

Overnight at a hotel in Cairo.

DAY 2 / CAIRO. PYRAMIDS & SPHINX TOUR

After breakfast we have a short pre-tour briefing before we take you on a full-day tour of Giza and the Egyptian Museum.

Giza was built around 4600 years ago as a necropolis (cemetery) for the pharaoh Khufu (Cheops). The successor of Sneferu, Khufu was known as a tyrant and in his arrogance decided to have built a tomb that was bigger and better than all others. At 500 feet high and 750 feet wide at its base the Pyramid of Khufu is an awesome man-made structure constructed of giant stone blocks with a hard limestone casing. The casing has, over the years, been stripped away to leave exposed the inner block structure. Together with the smaller pyramids of Khafre (Chephern) and Menkaure (Mycerinus), the majestic sight of these enormous structures rising out of the desert is a breathtaking spectacle.

Here you have the chance to climb inside one of the pyramids (there are a limited number of tickets available in the Great Pyramid, so we cannot guarantee entry), and also to take a camel ride.

Close by, the mysterious Sphinx stands guard, as it has done so for thousands of years. You have another guided tour around the sphinx and some free time to walk around and take photos.

After a break for lunch, our next stop is the famous Egyptian Museum which houses a vast collection of artefacts from Egypt's past, including the famous King Tutunkhamun display.

Finally we head back to the hotel where you will have a free evening and a chance to try one of the hotel's restaurants or head into town.

Overnight at a hotel in Cairo.

DAY 2 EXTRA OPTIONS

Sound and Light show at the Pyramids

DAY 3 / DRIVE TO BAHARYA OASIS

After breakfast, we checkout of our hotel and then drive to the Baharya Oasis (private AC car or minibus – approx. 4 hours).

Situated in a depression covering some 2000 sq km Baharya is divided between 4 villages, the largest of which is Bawiti. Famous for its dates, wine and hot springs it is a peaceful and picturesque setting amid the harsh, barren landscape of the desert. Here we stay in a basic but comfortable hotel. We have a tour of the Oasis this afternoon which includes a visit to the English House, which is the ruined remains of a WW1 fort perched atop a nearby hill, some Greek & Roman tombs, a mummy museum, and the 'Black Mountain'.

In the evening we have the chance to take a dip in one of the nearby hot springs.

Overnight at a basic hotel in Baharya (B L D).

DAY 4 / WHITE DESERT, JEEP SAFARI

After breakfast we take a tour into the Black Desert using 4X4 jeeps. After lunch in a small village, we head into the White Desert. The White Desert is named after its white mica ground cover, and white rocks, shaped into curious toadstool, castles, and pillar like formations. On the way we stop to visit huge golden sand dunes and the Crystal Mountain, a rocky outcrop consisting of quartz crystals that lie strewn across the sand. At the foot of the hill a natural rock arch stands defying gravity. From here we head to our campsite in the White Desert and along the way collect wood for the campfire. Our guide will prepare our meal and then you can relax, reflect on the stunning desert scenery you've seen today, and appreciate the silence and bright starry night sky that can only be

found in such a vast uninhabited place.

Overnight in White Desert (B L D).

DAY 5 / FINISH SAFARI. FARAFRA & DAKHLA OASES

We break camp this morning, and continue in the jeeps to the oasis at Farafra, where we take a short tour of the oasis and break for lunch. This is the smallest and most peaceful of the Western Desert oases, and many of the inhabitants are Bedouins who still adhere to some of their ancient traditions. You'll see small mud-brick houses in the old area of town, many painted with verses of the Koran and paintings depicting their journeys to Mecca, and can stop to see the sand paintings and sculptures of the world famous local artist, Badr Abd El Moghny.

From Farafra we leave the jeeps and drive on a good road to Dakhla Oasis, where we do a short tour including stops at Mut, Al Qasr, and Deir al Haggar. before checking into our hotel.

Overnight at a hotel in Dakhla (B L D).

DAY 6 / KHARGA OASIS

We leave early this morning to drive to Kharga Oasis (approx. 2 hours). Kharga is a medium sized town, rather than a small oasis village, and surprisingly busy and developed considering its remote location. If time allows we will visit the ruins at Qasr al Labeka en-route. We do a short tour in Kharga, which includes visiting some of the tombs in the Necropolis. We will also visit the Temple of Hibis when restoration works there are completed. In the afternoon we continue our road journey to Luxor (approx. 4 hours).

After arriving in Luxor, you can visit Luxor temple, or the Sound & Light show at Karnak temple.

Overnight at a hotel in Luxor (B L).

DAY 7 / LUXOR, WEST BANK TOUR. OVERNIGHT SLEEPER TRAIN TO CAIRO

After a very early breakfast, we take a tour to the West Bank of the Nile, starting with the Valley of the Kings. A hot air balloon flight is available this morning over the west bank if you wish.

In the Valley of the Kings, you will see several of the elaborately painted underground tombs in which the Pharaohs were buried. Your guide will choose the best tombs open during your visit (the main entry ticket covers 3 tombs – extra visits are also available to the tombs of Tutankhamun and Ramses V & VI). Next we take you to visit the unique three-tiered Mortuary Temple of Queen Hatshepsut. Dedicated to the God Amun this temple complex framed by towering cliffs is a wondrous sight. We then visit Medinat Habu, a temple of Ramses III, which is not on most tourist itineraries, but has some of the very deepest carved hieroglyphs, and the best preserved coloured wall paintings, really giving you an idea of how these Egyptian temples looked in their prime. Finally you will stop to see the Colossi of Memnon, two huge 50 feet high statues of King Amenhotep II, before returning to Luxor for lunch. In the evening, we transfer to the overnight sleeper train back to Cairo.

Overnight on sleeper train to Cairo (B D).

DAY 7 EXTRA OPTIONS Hot air balloon option

DAY 8 / CAIRO, FREE DAY

We arrive in Cairo this morning and transfer to our hotel. The rest of the day is free to relax, do a city tour, explore the shops and bazaars, or revisit the Egyptian Museum. You also have the option of a day trip to Alexandria or Wadi Rayan and the Valley of the Whales today. In the evening you can take a dinner cruise or felucca trip on the Nile, or revisit the pyramids for a spectacular sound and light show.

Overnight at a hotel in Cairo (B).

DAY 8 EXTRA OPTIONS

**Cairo city tour,
Alexandria day trip,
Wadi Rayan & Valley of the Whales**

DAY 9/ DRIVE TO DAHAB, FREE TIME

We leave Cairo early this morning for the drive to Dahab (approx. 7-10 hours depending on the traffic and how many stops we make). The afternoon is free to relax by the hotel pool or beach, or head into Assalah to enjoy the unique feel of this friendly village.

The word Dahab in Arabic means gold and refers to the fine yellow sand that colours the beaches either side of the main bay. The Bedouin village of Assalah lies along the shore of Ghazala Bay and is a collection of campsites, hotels, restaurants, shops, dive-centres and bars, dotted with palm trees. It is here that you'll experience the Bohemian feel that makes Dahab so special (most hotels provide shuttle buses and taxis to and fro are cheap as well). The evenings provide a perfect opportunity to try out some of the many restaurants and excellent local seafood.

Note: *You may join with travellers from two of our other small-group tours for the time in Dahab and Jordan.*

Overnight at hotel in Dahab (B).

DAY 9 EXTRA OPTIONS Overnight Mount Sinai climb

DAY 10 / DAHAB. FREE TIME

We have a free day today, with plenty of time for you to relax or try an introductory scuba-dive. We also offer an option to travel a short way out of town, and go snorkelling at the famous Blue Hole, an 80m-deep, reef lined pool (equipment included). Here we spend time relaxing and exploring the wonders of the Red Sea. The clear blue waters are home to myriad marine life including many varieties of colourful fish and corals.

Overnight at hotel in Dahab (B)

DAY 10 EXTRA OPTIONS Snorkelling at the Blue Hole

DAY 11 / DRIVE TO JORDAN. WADI RUM JEEP SAFARI.

We leave Dahab early this morning and head North to Nuweiba to take the early morning ferry to Aqaba, Jordan. One of our Jordanian reps greets you on arrival in Aqaba and assists with visa formalities. You will then enjoy breakfast at a local restaurant and visit Aqaba fort. We leave the Red Sea for the spectacular desert & mountains of Wadi Rum (approx. 45 mins drive). The desert here, with its towering rust coloured rocky 'jebels' awed TE Lawrence during his visits during the Arab Revolt of 1917-18, and was later made famous in the film Lawrence of Arabia.

After arriving in Wadi Rum, we take a jeep safari through the beautiful desert scenery, seeing more of the sheer cliffs and bizarre rock formations, and breaking for a Bedouin lunch en-route.

We then spend a memorable night here at a Bedouin camp where we enjoy their hospitality, traditional food, and plenty of tea. You can sleep in the Bedouin tents, or outside under the stars if you prefer. During the summer months when the weather is warmer, we use a mobile camp, and in winter (approx. Nov-Feb) when it is cold and more prone to rain, we use a fixed camp with more facilities and shelter.

Note: *If the ferry is not running for any reason, we will cross into Jordan overland via Eilat in Israel.*

Overnight Bedouin Camp (B L D).

DAY 12 / PETRA

This morning as we drive out through the desert to rejoin the Desert Highway, the Jebels get smaller, and the desert more expansive. After a short time on the main road, we start to climb into the hills, and turn off towards Petra. Also made

Deserts, Tombs & Jordan continued...

16 DAYS / SMALL GROUP OR PRIVATE TOUR / DESERT SAFARI /

more famous by a film, this time the rather different 'Indiana Jones and the Last Crusade', Petra is, for good reason, Jordan's tourism highlight.

The ancient capital of the Nabataean commercial empire until the Romans finally took over in 106AD, Petra was largely forgotten, except by the local Bedouins, until it was 'discovered' in 1812 by a young Swiss explorer, Johann Ludwig Burckhardt. This was partly due to its remoteness, and its situation on the edge of Wadi Aruba., whose canyon walls and surrounding hills make it almost impossible to approach except through a narrow, winding cleft in the rock, called the Siq. The city itself has very few free-standing buildings, as the Nabateans chose to carve their homes, buildings and tombs into the multi-coloured sandstone cliffs. Nowadays, the Jordanian government and local people are well aware of Petra's interest to tourists, and the tourism infrastructure in the adjoining village of Wadi Musa is booming, though, thankfully, once you enter through the Siq, the site is protected, and all the building feels miles away.

We have a whole day today to tour this fascinating city, escorted by an expert local guide (4 hour tour, then free time to explore yourselves). We start by walking through the Siq, which rises to 200m above us, and narrows to just 2m wide in places. The ancient Nabatean water channel can still be seen on one wall, as well as some remnants of the terracotta pipes that brought water into the city. All of a sudden, a now classic view appears around one corner, and one of Petra's most impressive monuments, the Khazneh (Treasury) comes into view. Our guide will explain how this, and the other buildings here, are mainly elaborate facades carved into the rock from the top down, and also discuss the spiritual significance of the building style. From the Khazneh, the valley opens out, with tombs carved into the rock on both sides. We'll see the ruined Roman amphitheatre, and colonnaded street, and can walk up a steep and narrow winding gorge past beautifully coloured sandstone cliff walls to the huge and imposing 'Monastery'. The biggest of Petra's carved monuments at 50m high and 45m wide, this is truly spectacular, as are the distant views west across Wadi

Aruba and the Jordan valley. Another climb can take us to the High Place of Sacrifice, and Lion Fountain.

All in all, this is a full & tiring, but hugely rewarding day touring one of the world's most famous ancient sites. We spend the evening and night relaxing at our hotel.

An option is available to return to the Siq in the evening for the Petra by Candlelight tour through the Siq to the Treasury.

Overnight at hotel in Petra (B L).

DAY 13 / MORNING TOUR TO VISIT LITTLE PETRA

This morning we visit Siq al-Berid, often known to tourists as 'Little Petra'. The whole of Little Petra was once a thriving community and almost every nook and cranny provides evidence of Nabatean habitation. When you first enter the Siq you will discover why this was once referred to as the 'Cold Siq'. Almost no sunlight reaches the ground, and because of this the area stays cold most of the time. Little Petra differs from the main Petra site due to the density of the rock carved houses and temples and also the rock cut steps which lead off in all directions to a multi-storey alley-way which must have once buzzed with life. Our guide will ensure that you visit the main highlights whilst at Little Petra and you will also have some free time to explore on your own. In the afternoon you can relax in the hotel, explore the village of Wadi Musa, or return to the main Petra site where you will have more free time to continue exploring this amazing site (a 2-day ticket is included for Petra).

Overnight at hotel in Petra (B)

DAY 14 / PETRA, KERAK, MADABA, MT. NEBO

We leave Petra this morning and drive north to Amman up the King's Highway (a slower, but much more interesting and beautiful drive than the busy Desert Highway). Our first stop is at the old Crusader town and castle at Kerak, which lies on the ancient Egypt-Syrian caravan routes. Built in 1132AD by the Crusader King, Baldwin

1 of Jerusalem, the castle fell to Saladin in 1188AD. It is still a hugely impressive building with commanding views over the surrounding hills & plains.

From Kerak, we head further north crossing several deep Wadis, including the majestic Wadi al-Mujib, where the road winds down and back up the other side of this 1km deep canyon.

Arriving in Madaba, an important Christian town in Jordan, we stop to see some of its famous and priceless Byzantine era mosaics, including one of a 6th century map of Palestine in the Greek Orthodox St. George's church, which was laid out in 560AD on an area of well over 100square metres, using more than 2 million pieces.

Close to Madaba is the Mt. Nebo area, used as a memorial to Moses. There are 3 peaks, with spectacular views to the Dead Sea, and on a clear day, all the way to the church spires of Jerusalem.

We finish our journey today with a short drive into Jordan's capital city, Amman.

Overnight at hotel in Amman (B).

DAY 15/ AMMAN, JERASH, DEAD SEA

We have a couple of visits today, first to the Roman ruins at Jerash, and then to the Dead Sea where we stop to enjoy a swim in this strange place, over 200m below sea level. Our visit to Jerash takes us to what is probably Jordan's second most visited tourist site. As with Petra, this is for good reason, as the Roman ruins here are very well preserved, and an excellent example of a Roman provincial city.

In the afternoon we arrive at the Dead Sea, where the intense salinity of the waters here (around 33%), caused by the intense evaporation rate, leads to a very strange swimming experience. In fact, normal swimming is not really possible, and it is easier (and more photogenic!) just to float, sitting or lying in the water. Be careful not to get any water in your eyes, as it will sting very

strongly - you'll also discover various tiny cuts you never thought you had. We ensure we bathe where there are clean water springs or shower facilities so that you can wash the salty water off before it dries and starts to itch!

We return to Amman late in the afternoon where we have time for a sunset tour before turning to our hotel.

Overnight at hotel in Amman (B).

DAY 16 / AMMAN, TOUR ENDS

Your tour ends after breakfast and your time is free until we transfer you to the airport for your flight home. A day trip into Israel to visit Jerusalem and Bethlehem is available on request (this may require you to add an extra night in the hotel in Amman as well). (B).

ADDITIONAL INFORMATION

OPTIONS:

Booking and paying for options:

Options are split into three types

A - Those that must be booked and paid for in advance (mainly accommodation based).

B - Those that may be booked in advance or in Egypt (generally things you may know you definitely want to do. eg. hot air balloon flights, day trips out of Cairo)

C - Those that are arranged while you are in Egypt (eg. extra city tours, dinner cruises, sound & light shows etc.). Leaving decisions about these until you get to Egypt gives you more flexibility and means you won't lose out if you were to book an option in advance and then not do it.

Prices:

Prices for all of these options are given on our website and/or in a separate Option Price List provided on your arrival in Egypt and from our UK office.

A - ADVANCE BOOKING OPTIONS

These may be booked by selecting them on our online reservation form, and can also be added after you have made your booking, subject to availability at the time.

Single room supplement

If you are a single traveller joining tours like this at our 'Basic' comfort rating, then if you are happy to, you may share a twin room with another single traveller on the tour of the same sex. If there are no other single travellers available for you to pair up with at the time of your booking, then we will need to add the single supplement to your tour price, but will refund this if we are able to pair you up later

on.

Note: Couples will always be given a private double room, and triple/family rooms are available on request.

Extra days - Price: subject to hotel & party make-up

These are available on request in Cairo before and after the main tour. If you want to add extra days into the time elsewhere, we can arrange this, but please request a tailor-made tour. If you wish, you may book a hotel at a higher or lower level than that used on the tour. In this case, we can offer a transfer to/from the group hotel for a small charge (paid locally). Prices include a night in the hotel, breakfast, all taxes and your airport transfer. Single room supplements apply.

Luxor/Cairo flight option - Price: on request

The overnight sleeper train timings fit in well with the tour, but if you do want to upgrade, this option provides an extra night in the hotel, all transfers, and an internal flight with Egypt Air instead of the train. Flights are subject to availability and prices are given on request.

B - OPTIONS BOOKABLE IN ADVANCE AND IN EGYPT

You will receive more information on all the options available to you while you are in Egypt in the Welcome Pack we provide on your arrival, together with information on how and when to book and pay for them with your guide or our local reps.

Hot air balloon flight

This runs early in the morning in Luxor, so that you catch the early morning sun while you float over the west bank of the Nile. The option price is based on using one of the first flights of the day to see the rising sun over the West Bank of the Nile, so it is a very early start. All transfers are included and you get around 1 hour in the air. You do not miss out on any other activities.

If flights are cancelled for any reason (eg. very strong winds), a refund will be provided.

Note: Please remember to check that your travel insurance will cover hot air balloon flights as many require you to book and pay for the flight in advance. The balloon operators we use are fully licensed and insured - you may see cheaper options advertised locally for later start times and with operators which don't have all this cover in place.

Al Fayoum & Valley of the Whales

This option departs Cairo for the approx. 90 min drive to the Fayoum area after a short break for refreshments following your arrival on the overnight sleeper train from Luxor.

After arriving in Fayoum, learning about the history of the area as Egypt and the Middle East's bread basket, and passing through some extensively irrigated farmland, we head for Wadi Rayan This Protected Area surrounds a fresh-water lake in the middle of the desert which is filled by the remaining irrigation water from the Fayoum area. There are several waterfalls here, and a bird hide which gives good views of the lakes birdlife, particularly in the winter months when the lake is an important stop for migrating water-birds. We also visit the Springs Oasis area, a rare example of an uninhabited Saharan oasis, and host to many different plants and animals, including Dorcas Gazelle, Ruppell's Sand Fox and Fennec Fox.

After a stop for a packed lunch, we then drive into the stunning desert & mountain scenery of Wadi Hitan (Valley of the Whales).

This World Heritage Site is accepted as the most significant site in the world to demonstrate the evolution of whales, and we take a 2-3km walk here to see several specimens of fossilised whales of different types sitting on the surface of the sand, as well as fossilised mangroves and the remains of crab holes.

Alexandria day trip

This option departs Cairo for the approx. 3 hour drive to Alexandria after a short break for refreshments following your arrival on the overnight sleeper train from Luxor. The guided tour is flexible, but generally always features the Roman amphitheatre, which has twelve semi-circular marble tiers and is in remarkably good condition, Pompey's Pillar, the Citadel built on the site of the famous ancient 'Pharos' lighthouse, and the Catacombs of Kom al-Shoqafa, which is the largest Roman cemetery in Alexandria. Dating from the beginning of the Second Century AD this cemetery displays a unique blend of Pharaonic and Roman art. We may also visit the Al-Montazah Palace in its peaceful garden setting and the impressive new Library of Alexandria. Lunch is included, and you should have a little time to stroll around Alexandria before returning to Cairo (approx. 4 hrs drive).

C - OPTIONS BOOKABLE IN EGYPT

You will receive more information on all the options available to you while you are in Egypt in the Welcome Pack we provide on your arrival, together with information on how and when to book and pay for them with your guide or our local reps. Some examples are given below.

ACCOMMODATION:

This tour is set at our 'Basic' comfort rating because it features several nights in the oases staying in fairly simple but comfortable hotels at around the 2-star level, as well as enjoying 2 nights sleeping under the stars in the White Desert and Wadi Rum. The hotels in Cairo, Luxor and Dahab are of a higher level, around 4-star level and 3-star in Jordan., with en-suite AC rooms and swimming pools. The hotels in Baharya and Dakhla are normally en-suite but do not always have air-conditioning as the desert nights tend to be cooler than in the Nile Valley.

Please note that for the night in the Western desert, mattresses and a blanket are provided, but you will need to bring a sleeping bag with you.

If you are joining one of our group tours, or booking a private departure on the normal tour itinerary, then we will confirm your hotels a couple of weeks before departure. If you want to guarantee a stay in a particular hotel, then please request a tailor-made tour.

Please see our website for more details of the hotels that may be used on the tour.

BEDOUIN CAMP IN WADI RUM:

We use two different styles of Bedouin camp in Wadi Rum, depending on the time of year and weather. During the summer months (generally Mar-Oct) we use a mobile camp which allows us to find a remote location away from other travellers and enjoy a quiet night under the stars. In the winter months (generally Nov-Feb) and if the weather is bad, we use a fixed, well-organised camp with more facilities and traditional Bedouin tents. Mattresses and blankets are provided at both camps and you can sleep under cover or under the stars if you prefer.

Basic toilet facilities are provided.

TRANSPORT:

This tour aims at balancing a comfortable and enjoyable travelling experience with seeing as much of Egypt and Jordan and local life as possible. We therefore use the overnight sleeper train for the journey between Luxor and Cairo instead of the much more basic sitting train, and private air-conditioned minibuses and coaches for all the sightseeing tours and transfers. Most vehicles used are fitted with speed limiters and all are inspected & checked daily.

A 4x4 jeep is used for the White desert safari section where we need to go off-road.

In Wadi Rum we use basic 4x4 jeeps which are owned by the local Bedouin. Local regulations do not allow us to send vehicles into Wadi Rum and while suitable for use in the desert, the jeeps used may not reach our normal vehicle safety standards.

TRANSFERS:

The tour includes a 24-hour airport meet & assist service in Cairo airport, your arrival and departure airport transfers and all other transfers.

INTERNATIONAL FLIGHTS:

In order to keep our tours flexible, and to make them accessible to as many people as possible, we do not include your international flights in the set tour itinerary or price.

However, we do hold an ATOL (UK flight sales license) and are happy to book your flights for you. If you let us know your ideal dates and departure airport, then we will be happy to provide you with some flight options that we can arrange for you. You can then choose whether to book the flights through us, or make your own arrangements. Either way, your airport arrival & departure transfers are included.

TOUR LEADERS/GUIDES:

In order to provide the most personal service, and to make sure that you get as much out of our tours as possible, we like to keep our groups small. We therefore set the maximum number at 18 and the minimum at 3 people. You can join our group departures as an individual, couple, group of friends, or family.

One of our reps from Cairo will accompany you throughout the desert loop, together with a Bedouin driver & assistant who have good local knowledge of the desert and oases. Our local reps in all the towns and cities en-route are also at your service, and will be handling all the practical arrangements for the tour.

In Jordan, small groups (up to 5 people) will travel with a vehicle and English speaking driver, using specialist local guides at each of the sites. Larger groups will have an escort guide and driver throughout.

Our policy at Egypt Uncovered is to use only local guides and reps in Egypt and Jordan. We feel this gives you the best experience of the country and the sites you are seeing. More details are given on our website.

ENTRANCE FEES:

The tour price does not include entrance fees to the EGYPTIAN tourist sites mentioned in the itinerary. However, entrance fees to all the sites in JORDAN are included (this includes a 2-day ticket into Petra). You should allow around GB£40 per person (50% for minors or ISIC card holders), to cover all of the sites we visit in Egypt. Your guide will be happy to collect payment for all the entrance fees at the start of the tour, and pay them for you as you go along if you wish.

Tipping is very much a part of Egyptian and Jordanian culture and customs. To make our prices more transparent and so it is

VISAS:

Egypt:

Many nationalities (including UK, USA, European, Australian, Canadian) can obtain their Egyptian visa on arrival in Cairo airport (cost US\$15 or equivalent).

All African nationals will need to arrange their Egypt visa in advance.

Jordan:

For many nationalities (including UK, USA, European, Australian, Canadian) the group visa we can obtain on arrival in Aqaba for groups of 5 or more people is free. However, as our travellers often depart from Amman on different flights, you are no longer considered to be part of a group and the visa fee of 10JD (British/European citizens) is due. Please have 10JD (or equivalent in Aqaba) ready to pay for this visa when you arrive in Aqaba or when you leave from Amman airport.

Other nationalities may require a visa prior to arrival and to obtain this in advance please contact your local consulate for details.

RESPONSIBLE TOURISM:

We take responsible travel seriously, and as well as taking this into consideration when we design our itineraries, and select the people and agents we work with, we also donate £2 for every person travelling on of our Egyptian tours. This is split between two projects - the Dar Al Rahman orphanage in Cairo, and a desert clean-up project in Wadi Rayan, near Al Fayoum. You will have the chance to visit the orphanage if you wish during your time in Cairo, and if you would like to support either of these projects while you are in Egypt, you would be very welcome.

Full details of our responsible travel policy are given on our website.
