## DETAILED ITINERARY

### DAY 1 / ARRIVE IN CAIRO

You arrive at Cairo airport where we greet and transfer you to your hotel. Our Egypt Uncovered rep. welcomes you, helps you settle into the hotel, and outlines the plan for the next few days.

*Overnight at hotel in Cairo.*

### DAY 2 / CAIRO. PYRAMIDS, SPHINX & MUSEUM TOUR

After breakfast we have a short pre-tour briefing before we take you on a tour of Giza and Saqqara. Giza was built around 4600 years ago as a necropolis (cemetery) for the pharaoh Khufu (Cheops). The successor of Sneferu, Khufu was known as a tyrant and in his arrogance decided to have built a tomb that was bigger and better than all others. Standing 500 feet high and 750 feet at its base the Pyramid of Khufu is an awesome man-made structure constructed of giant blocks of stone covered in a hard limestone casing. The casing has, over the years, been stripped away to leave exposed the inner block structure. Together with the smaller pyramids of Khafre (Chephren) and Menkaure (Mycerinus), the majestic sight of these enormous structures rising out of the desert is a breathtaking spectacle. Here you have the chance to climb inside one of the pyramids (there are a limited number of tickets available, so we cannot guarantee this), and also to take a camel ride (approx. £2-5 p/p for around 30mins). Close by, the mysterious Sphinx stands guard, as it has done so for thousands of years. You have another guided tour around the sphinx and some free time to walk around and take photos.

Our afternoon tour will include the Egyptian Museum (which houses a vast collection of artefacts from Egypt's past, including the famous King Tutankhamun display)

For this, and all of your sightseeing tours, a local English-speaking Egyptologist guide will accompany you.

At the end of our day in Cairo we transfer to the train station for a

fovernight sleeper train to Luxor.

*Overnight on sleeper train to Luxor (B,D)*

### DAY 3 / LUXOR, WEST BANK TOUR

The town of Luxor is built on and around the ancient site of Thebes, and boasts the largest concentration of ancient ruins in the Nile Valley, if not the world. To the West of the Nile lies the City of the Dead, with its mortuary temples and rock-hewn tombs, whilst to the east lie the Temples of Luxor & Karnak.

After our early morning arrival, we take a tour to the West Bank of the Nile, starting with the Valley of the Kings where you will see several of the elaborately painted underground tombs in which the Pharaohs were buried. Your guide will choose the best tombs open during your visit (the main entry ticket covers 3 tombs – extra visits are also available to the tombs of Tutankhamun and Ramses V & VI). Next we take you to visit the unique three-tiered Mortuary Temple of Queen Hatchepsut. Dedicated to the God Amun this temple complex framed by towering cliffs is a wondrous sight. We then visit Medinat Habu, a temple of Ramses III, which is not on most tourist itineraries, but has some of the very deepest carved hieroglyphs, and the best preserved coloured wall paintings, really giving you an idea of how these Egyptian temples looked in their prime. Finally you will stop to see the Colossi of Memnon, two huge 50 feet high statues of King Amenhotep II, before returning to check into the hotel and have lunch. The afternoon is free for you to relax or explore Luxor.

*Overnight at hotel in Luxor (B)*

### DAY 4 / LUXOR, EAST BANK TOUR

Our half-day tour today, is on the East bank of the Nile, and will include a visit to the Temple of Luxor, and the huge temple complex at Karnak.

The great Temple of Amun at Karnak was once the religious centre of Thebes and Upper Egypt. It was linked to Luxor by an extensive

avenue, which was lined with sphinxes, and the whole complex was in turn linked to the Nile via a canal through which moved the sacred boats of the god Amun. Entering through a smaller sphinx-lined avenue, built by Ramesses II, you come to the immense pylon entrance. Inside the huge Courtyard are three chapels dedicated to the gods Amun, Khous and Mut. The remarkable Hypostyle Hall has 134 towering columns, each carved with scenes of gods and pharaohs, and hieroglyphic inscriptions adorn the walls. Lying 3 km to the south of Karnak in the centre of town, the Temple of Luxor was built by Amenophis III and later enlarged by Ramses II. The partially damaged statues inside all represent Ramses II, and it was he who built the colonnaded forecourt. The Colonnade and Court of Amenophis III are perhaps the most striking parts of the temple.

We normally visit here in the evening when the temple is evocatively lit up by spotlights.

*Overnight at hotel in Luxor (B).*

### DAY 5 / LUXOR, FREE DAY

Your day is free in Luxor today for you to relax or do some more sightseeing. We also offer an option to do a spectacular early morning hot air balloon flight over the west bank of the Nile.

There is a lot to see in and around Luxor, and you can arrange more sightseeing tours with your guide and our reps if you wish (eg. the Ramesseum, or the tombs in the Valley of the Nobles, or Valley of the Queens).

Alternatively, you can relax in the hotel, explore the bazaars and streets in town, take a camel or horse ride along the Nile or into the desert, or take a felucca sailboat trip on the Nile.

In the evening, we transfer to the train station for a overnight sleeper train to Cairo.

*Overnight on train to Cairo (B,D).*

## DAY 5 EXTRA OPTIONS

### Hot air balloon option

## DAY 6 / CAIRO, CITY TOUR

After arriving in Cairo, we check in at our hotel and then have a half-day guided tour of the city of Cairo.

Founded in 969 AD by Gohar, a Fatimid army leader, El Kahera (Cairo) soon became the capital of Egypt. Subsequent additions like the El Azhar mosque, the Islamic University, and defensive walls and a citadel, built by Saladin in 1179, have helped Cairo remain Egypt's principal city. The 16-year reign of Ismail (1830-1895) ushered in a new period of expansion and modernisation in Cairo. Areas like Heliopolis, Dokki and Roda were added, while gardens, Opera houses, large hotels and wide, tree lined avenues were built. Further post revolutionary, urban expansion has left Cairo as one of the world's largest cities. Today it is a bustling metropolis of about 16 million people, a strange mix of modern and old, a unique blend of diverse cultures, and a gateway to Egypt's past.

Our tour will include the Citadel (a collection of mosques and palaces, with a great view over the city), and the Khan al Khalili bazaar (a mazy market that offers a window to the past and a guaranteed souvenir).

In the evening there is an option to board a 5-star river steamer for dinner on the Nile. You'll enjoy the unique taste of Middle Eastern cuisine whilst experiencing traditional Egyptian Sufi & belly dancing.

*Overnight at hotel in Cairo (B).*

## DAY 7/ DRIVE TO DAHAB, FREE TIME

We leave Cairo early this morning for the drive to Dahab (approx. 7-10 hours depending on the traffic and how many stops we make). The afternoon is free to relax by the hotel pool or beach, or head into Assalah to enjoy the unique feel of this friendly village.

The word Dahab in Arabic means gold and refers to the fine yellow sand that colours the beaches either side of the main bay. The Bedouin village of Assalah lies along the shore of Ghazala Bay and is a collection of campsites, hotels, restaurants, shops, dive-centres and bars, dotted with palm trees. It is here that you'll experience the Bohemian feel that makes Dahab so special (most hotels provide shuttle buses and taxis to and fro are cheap as well). The evenings provide a perfect opportunity to try out some of the many restaurants and excellent local seafood.

*Overnight at hotel in Dahab (B).*

## DAY 7 EXTRA OPTIONS

### Overnight Mount Sinai climb

## DAY 8-10 / DAHAB, FREE DAY

You have these next three days free to explore the many delights that Dahab, and its surroundings have to offer. You can do some snorkelling at the famous Blue Hole, try an introductory scuba-dive, or do a full PADI course (bookable in advance if required) Alternatively you can relax at one of the numerous beachside restaurants, do some quad-biking in the desert, a desert jeep safari, sunset camel ride, or do a spot of sunbathing on the beach. If you wish, you can also arrange to do a night-time climb to see the sunrise from the top of Mt. Sinai and visit St Catherine's monastery while you are in here. A full day tour to Petra in Jordan is also available, though it is a very long day with not much time in Petra itself. .

*Overnight at hotel in Dahab (B)*

## DAY 8-10 EXTRA OPTIONS

### Blue Hole snorkelling, Sunset camel-ride, Introductory scuba-dives, PADI diving courses, Desert jeep or quad bike safaris, Overnight Mt. Sinai climb

## DAY 11 / DAHAB. DRIVE TO CAIRO

After a free morning for some last snorkelling or diving, we take the

midday coach back through the Sinai desert, under the Suez Canal, and on to Cairo (approx. 7 hours). We arrive in the evening and check into our hotel.

*Overnight at hotel in Cairo (B)*

## DAY 12 / TOUR ENDS

Our tour ends after breakfast and your day is free until we transfer you to the airport in time for your flight home.

*(B).*

## DAY 12 EXTRA OPTIONS

### Extra nights in Cairo

## ADDITIONAL INFORMATION

### OPTIONS:

#### Booking and paying for options:

Options are split into three types

A - Those that must be booked and paid for in advance (mainly accommodation based).

B - Those that may be booked in advance or in Egypt (generally things you may know you definitely want to do. eg. hot air balloon flights, day trips out of Cairo)

C - Those that are arranged while you are in Egypt (eg. extra city tours, dinner cruises, sound & light shows etc.). Leaving decisions about these until you get to Egypt gives you more flexibility and means you won't lose out if you were to book an option in advance and then not do it.

#### Prices:

Prices for all of these options are given on our website and/or in a separate Option Price List provided on your arrival in Egypt and from our UK office.

#### A - ADVANCE BOOKING OPTIONS

These may be booked by selecting them on our online reservation form, and can also be added after you have made your booking, subject to availability at the time.

#### Single room supplement

If you are a single traveller joining tours like this at our 'Standard' comfort rating, then if you are happy to, you may share a twin room with another single traveller on the tour of the same sex. If there are no other single travellers available for you to pair up with at the time of your booking, then we will need to add the single supplement to

your tour price, but will refund this if we are able to pair you up later on.

**Note:** *Couples will always be given a private double room, and triple/family rooms are available on request.*

#### Extra days pre-tour - Price: subject to hotel & party make-up

These are available on request in Cairo before and after the main tour. If you want to add extra days into the time elsewhere, we can arrange this, but please request a tailor-made tour. If you wish, you may book a hotel at a higher or lower level than that used on the tour. In this case, we can offer a transfer to/from the group hotel for a small charge (paid locally). Prices include a night in the hotel, breakfast, all taxes and your airport transfer. Single room supplements apply.

#### Cairo/Luxor or Luxor/Cairo flight option - Price: on request

The overnight sleeper train timings fit in well with the tour, but if you do want to upgrade, this option provides an extra night in the hotel, all transfers, and an internal flight with Egypt Air instead of the train.

Flights are subject to availability and prices are given on request.

#### B - OPTIONS BOOKABLE IN ADVANCE AND IN EGYPT

You will receive more information on all the options available to you while you are in Egypt in the Welcome Pack we provide on your arrival, together with information on how and when to book and pay for them with your guide or our local reps.

Prices are set in Egyptian Pounds but payments may also be made with hard currency (GB Pounds, Euros, US Dollars) at our local exchange rate at the time, which is set monthly. Credit card payments are also accepted in Cairo for these payments (3% fee).

Once booked and paid for, these options are not refundable if you choose not to do them while on the tour.

#### Hot air balloon flight

This runs early in the morning in Luxor, so that you catch the early morning sun while you float over the west bank of the Nile. The option price is based on using one of the first flights of the day to see the rising sun over the West Bank of the Nile, so it is a very early start. All transfers are included and you get around 1 hour in the air. You do not miss out on any other activities.

If flights are cancelled for any reason (eg. very strong winds), a refund will be provided.

**Note:** *Please remember to check that your travel insurance will cover hot air balloon flights as many require you to book and pay for the flight in advance. The balloon operators we use are fully licensed and insured - you may see cheaper options advertised locally for later start times and with operators which don't have all this cover in place.*

#### C - OPTIONS BOOKABLE IN EGYPT

You will receive more information on all the options available to you while you are in Egypt in the Welcome Pack we provide on your arrival, together with information on how and when to book and pay for them with your guide or our local reps. Some examples are given below.

Payments may be made with hard currency (GB Pounds, Euros, US Dollars) or in local currency at our local exchange rate at the time, which is set monthly. Credit card payments are also accepted in Cairo for these payments (3% fee).

Once booked and paid for, options are generally not refundable if you choose not to do them for any reason later in the tour.

restaurants and bars.

If you are joining one of our group tours, or booking a private departure on the normal tour itinerary, then we will confirm your hotels a couple of weeks before departure. If you want to guarantee a stay in a particular hotel, then please request a tailor-made tour.

Please see our website for more details of the hotels that may be used on the tour.

## TRANSPORT:

This tour aims at balancing a comfortable and enjoyable travelling experience with seeing as much of Egypt and Egyptian life as possible. We therefore use the overnight sleeper train for the journeys between Cairo and Luxor instead of the much more basic sitting train, and private air-conditioned minibuses and coaches for all the sightseeing tours and transfers. Most vehicles used are fitted with speed limiters and all are inspected & checked daily.

## TRANSFERS:

The tour includes a 24-hour airport meet & assist service in Cairo airport, your arrival and departure airport transfers and all other transfers.

## INTERNATIONAL FLIGHTS:

In order to keep our tours flexible, and to make them accessible to as many people as possible, we do not include your international flights in the set tour itinerary or price.

However, we do hold an ATOL (UK flight sales license) and are happy to book your flights for you. If you let us know your ideal dates and departure airport, then we will be happy to provide you with some flight options that we can arrange for you. You can then choose whether to book the flights through us, or make your own arrangements. Either way, your airport arrival & departure transfers are included.

## GROUP SIZE/TOUR LEADERS/GUIDES:

In order to provide the most personal service, and to make sure that you get as much out of our tours as possible, we like to keep our groups small. We therefore set the maximum number at 18 and the minimum at 2 people. You can join our group departures as an individual, couple, group of friends, or family (min age 12).

For this tour we provide a fully trained, local English-speaking Egyptologist to act as your tour guide. He/she will be with you for all of the sightseeing tours in Cairo and the Nile Valley. Our local reps in all the towns and cities en-route are also at your service, and will be handling all the practical arrangements for the tour. For some private tours and groups of fewer than 4 people, we may use one guide in Cairo, and a second guide for the Aswan to Luxor section. We have a permanent rep in Dahab who will look after everything there for you.

Our policy at Egypt Uncovered is to use only local guides and reps in Egypt. We feel this gives you the best experience of the country and the sites you are seeing. More details are given on our website.

## ENTRANCE FEES:

The tour price does not include entrance fees to the tourist sites mentioned in the itinerary. You should allow around GB£45 per person (50% for minors or ISIC card holders), to cover all of the sites we visit in Egypt. Your guide will be happy to collect payment for all the entrance fees at the start of the tour, and pay them for you as you go along if you wish.

## TIPPING:

Tipping is very much a part of Egyptian culture and customs. To make our prices more transparent and so it is easier for you to budget and less hassle while in Egypt, we include a 'Tipping Kitty' in your tour price. This provides tips for a wide range of people you'll meet along the tour including hotel porters, train and station

We run regular small-group departures on this tour, normally every two weeks, throughout the year. These departure dates and prices are listed on our website and on a separate dates & prices sheet available on request. We can also run the set tour itinerary privately for you on other dates, or customise it to make a tailor-made tour to fit your personal requirements.

## HEALTH:

For up to date health information & vaccination requirements for Egypt we recommend that you contact your GP or a travel clinic (1st Contact travel clinic gives free advice tel. 0800 0393073).

We take responsible travel seriously, and as well as taking this into consideration when we design our itineraries, and select the people and agents we work with, we also donate £2 for every person travelling on of our Egyptian tours. This is split between two projects - the Dar Al Rahman orphanage in Cairo, and a desert clean-up project in Wadi Rayan, near Al Fayoum. You will have the chance to
