DETAILED ITINERARY

DAY 1 / ARRIVE IN CAIRO

You arrive at Cairo airport where we greet you and transfer you to your hotel. Our rep will help you settle into the hotel and its surroundings, and outline the plan for the next few days.

Overnight at hotel in Cairo.

DAY 2 / CAIRO. PYRAMIDS & SPHINX TOUR

After breakfast we have a short pre-tour briefing before we take you on a full-day tour of Giza and the Egyptian Museum.

Giza was built around 4600 years ago as a necropolis (cemetery) for the pharaoh Khufu (Cheops). The successor of Sneferu, Khufu was known as a tyrant and in his arrogance decided to have built a tomb that was bigger and better than all others. At 500 feet high and 750 feet wide at its base the Pyramid of Khufu is an awesome man-made structure constructed of giant stone blocks with a hard limestone casing. The casing has, over the years, been stripped away to leave exposed the inner block structure. Together with the smaller pyramids of Khafre (Chephren) and Menkaure (Mycerinus), the majestic sight of these enormous structures rising out of the desert is a breathtaking spectacle.

Here you have the chance to climb inside one of the pyramids (there are a limited number of tickets available in the Great Pyramid, so we cannot guarantee entry), and also to take a camel ride.

Close by, the mysterious Sphinx stands guard, as it has done so for thousands of years. You have another guided tour around the sphinx and some free time to walk around and take photos.

After a break for lunch, our next stop is the famous Egyptian Museum which houses a vast collection of artefacts from Egypt's past, including the famous King Tutankhamun display. At the end of your day in Cairo there is a little free time and an option to visit the orphanage that we support in Cairo before we transfer you to the

train station for an overnight sleeper train journey to Aswan.

For this, and all of your sightseeing tours, a local English-speaking Egyptologist guide will accompany you.

Overnight on sleeper train to Aswan (B,D)

DAY 3 / ASWAN, PHILAE TEMPLE

After arriving in Aswan, we visit the Temple of Philae, a complex dedicated to Isis and reclaimed from the rising waters of Lake Nasser, which we reach by a scenic boat ride. We may also stop to visit the huge Aswan Dam. We then check into a hotel with great views over the Nile.

Aswan is Egypt's most southerly city and throughout history has controlled the trade routes both to the north and the south, and has acted as a gateway to and from Africa. Situated on the banks of the Nile it now lies at the northern end of Lake Nasser. This 360 mile long and 6 mile wide lake was created after the building of the High Dam, and covers the area once occupied by the ancient kingdom of Nubia. The Nile here is at its most picturesque, with cascading rapids, lush green islands, and feluccas sailing to and fro. The city is a melting pot of African and Middle Eastern cultures, most easily experienced by wandering through the busy souqs, which assail the senses with a riot of colours, sounds, and smells.

Overnight at hotel in Aswan (B)

DAY 3 EXTRA OPTIONS

Dahabiya and Luxury cruise upgrades

DAY 4 / ASWAN, FELUCCA CRUISE

This morning is free for you to explore the town, stroll through the bazaars, and walk along the Nile at your leisure. Alternatively you can take the chance to visit the remarkable temples of Ramses II at Abu Simbel, which were dismantled and rebuilt when Lake Nasser was flooded.

After checking out of our hotel, we visit the islands in the Nile at

Aswan by felucca or motorboat (depending on the weather). These include Elephantine Island, with its Nubian villages, Pharaonic ruins, museum and Nileometer; and Kitchener Island, with its beautiful and peaceful botanical gardens. Later in the afternoon, we board a traditional felucca sailboat for a 2-night cruise on the Nile. We sail a short way out of Aswan and spend the night moored by the banks of the river. We can sometimes arrange to visit a traditional Nubian house this evening before you dine on board the boat with typical Egyptian food prepared by the boat captain & crew. After a fun and relaxing evening, you drift asleep under the stars.

Note - Whilst onboard the felucca you will be met from time to time by another boat where toilets and showers are available onboard (see Note on feluccas below).

Overnight on board a felucca (B D).

DAY 4 EXTRA OPTIONS

Abu Simbel option

DAY 5 / FELUCCA CRUISE, KOMOMBO

After breakfast on board, we spend the day sailing peacefully downriver relaxing in the sun and watching the world drift by.

We spend the night on the boat just before Komombo where there are the remains of a temple dedicated to the Gods Sobek and Haroeris. If you're keen, this evening we may enjoy some typical Nubian musical entertainment from the boat crew (do join in!).

Note: *the felucca cruise itinerary is subject to slight alterations en-route.*

Overnight on board a felucca (B L D).

DAY 6 / KOMOMBO & EDFU, LUXOR EAST BANK TOUR

We finish our felucca cruise after breakfast with a tour of the temple at Komombo before transferring by coach to Luxor via Edfu Temple, a well-preserved complex dedicated to the God Horus.

The town of Luxor is built on and around the ancient site of Thebes, and boasts the largest concentration of ancient ruins

14 DAYS / SMALL GROUP OR PRIVATE TOUR / CULTURAL ADVENTURE / DESERT SAFARI /

in the Nile Valley, if not the world. To the West of the Nile lies the City of the Dead, with its mortuary temples and rock-hewn tombs, whilst to the east is the modern town and Karnak & Luxor temples.

This afternoon we start our tours of the East Bank at Karnak. The great Temple of Amun at Karnak was once the religious centre of Thebes and Upper Egypt. It was linked to Luxor by an extensive avenue, lined with sphinxes, and the whole complex was in turn linked to the Nile via a canal through which moved the sacred boats of the god Amun. Entering through a smaller sphinx-lined avenue, built by Ramesses II, you come to the immense pylon entrance. Inside the huge Courtyard are three chapels dedicated to the gods Amun, Mut and Khous. The remarkable Hypostyle Hall has 134 towering columns, each carved with scenes of gods and pharaohs, and hieroglyphic inscriptions adorn the walls.

Lying 3 km to the south of Karnak in the centre of town, the Temple of Luxor was built by Amenophis III and later enlarged by Ramses II. The partially damaged statues inside all represent Ramses II, and it was he who built the colonnaded forecourt. The Colonnade and Court of Amenophis III are perhaps the most striking parts of the temple. We normally visit here in the evening when the temple is evocatively lit up by spotlights.

Overnight at hotel in Luxor (B).

DAY 7 / LUXOR, WEST BANK TOUR. SLEEPER TRAIN TO CAIRO

After a very early breakfast, we take a tour to the West Bank of the Nile, starting with the Valley of the Kings. A hot air balloon flight is available this morning over the west bank if you wish. We start early today to avoid the crowds and extreme heat in the middle of the day.

In the Valley of the Kings, you will see several of the elaborately painted underground tombs in which the Pharaohs were buried. Your guide will choose the best tombs open during your visit (the main entry ticket covers 3 tombs – extra visits may also be available to the tombs of Tutankhamun and Ramses V & VI).

Next we take you to visit the unique three-tiered Mortuary Temple

of Queen Hatchepsut. Dedicated to the God Amun this temple complex framed by towering cliffs is a wondrous sight.

We then visit Medinat Habu, a temple of Ramses III, which is not on most tourist itineraries, but has some of the very deepest carved hieroglyphs, and the best preserved coloured wall paintings, really giving you an idea of how these Egyptian temples looked in their prime.

Finally you will stop to see the Colossi of Memnon, two huge 50 feet high statues of King Amenhotep II, before returning to Luxor for lunch. In the evening, we transfer to the overnight sleeper train back to Cairo

Overnight on train to Cairo (B,D).

DAY 7 EXTRA OPTIONS

Hot air balloon option

DAY 8 / CAIRO, FREE DAY

You arrive in Cairo early this morning, and transfer straight to your hotel (you may need to wait a short while before your rooms are available). The rest of the day is free to relax, do a city tour or other day trip option, explore the shops and bazaars, or revisit the Egyptian Museum. You also have the option of a day trip to Alexandria or Wadi Rayan and the Valley of the Whales today. In the evening you can take a dinner cruise or felucca trip on the Nile, or revisit the pyramids for a spectacular sound and light show.

Overnight at hotel in Cairo (B)

DAY 8 EXTRA OPTIONS

City tour, Pyramids sound & light show, Nile dinner cruise, Alexandria day trip, Al Fayoum & Valley of the Whales day trip

DAY 9 / FAYOUM TOUR, MEIDUM PYRAMID

After arriving into Cairo by train, we head out to the Fayoum region. This extensively irrigated area is the most fertile region in Egypt and for centuries has supplied Egypt with wheat and numerous other

crops. We stop to see the water wheels which have powered the irrigation for centuries, visit a natural spring, and see the Birket Qarn salt lake, home to many different birds including flamingos on one of the islands. En-route to Fayoum we visit the Meidum Pyramid, one of the very first attempts in Egypt at building a true pyramid. We drive by jeep to Wadi Hitan where we will stay overnight at a basic but comfortable camp surrounded by spectacular cliffs with great views over the valley.

Overnight at Wadi Hitan Camp (B D).

DAY 10 / WADI RAYAN, VALLEY OF THE WHALES

After breakfast we begin our tours of Wadi Rayan Protected Area. Wadi Rayan surrounds a fresh-water lake in the middle of the desert, which is filled by the remaining irrigation water from the Fayoum area. There are several waterfalls here, and a bird hide which gives good views of the lakes birdlife, particularly in the winter months when the lake is an important stop for migrating water-birds. We also visit the Springs Oasis area, a rare example of an uninhabited Saharan oasis, which hosts many different plants and animals, including Dorcas Gazelle, Ruppell's Sand Fox and Fennec Fox. After a stop for a packed lunch, we then drive into the stunning desert & mountain scenery of Wadi Hitan (Valley of the Whales). This World Heritage Site is accepted as the most significant site in the world to demonstrate the evolution of whales, and we take a 2-3km walk here to see several specimens of fossilised whales of different types sitting on the surface of the sand, as well as fossilised mangroves and the remains of crab holes.

Later in the afternoon we drive to the Baharya oasis. Situated in a depression covering some 2000 sq km Baharya is divided between 4 villages, the largest of which is Bawiti. Famous for its dates, wine and hot springs, it is a peaceful and picturesque setting amid the harsh, barren landscape of the desert. Here we stay in a simple but comfortable hotel.

Overnight at a hotel, Baharya (B L D).

14 DAYS / SMALL GROUP OR PRIVATE TOUR / CULTURAL ADVENTURE / DESERT SAFARI /

DAY 11 / WHITE DESERT, JEEP SAFARI

After breakfast, we take a tour around the Baharya oasis. This will include a visit to the English House, which is the ruined remains of a WW1 fort perched atop a nearby hill, and The Black Mountain. Next, we head heading into the White Desert using 4X4 jeeps. The White Desert is named after its white mica ground cover, and white rocks, shaped into curious toadstool, castles, and pillar like formations. On the way we stop to visit huge golden sand dunes and the dazzling Crystal Mountain, a rocky outcrop consisting of quartz crystals that lie strewn across the sand. At the foot of the hill a natural rock arch stands defying gravity. From here we head to our campsite in the White Desert and along the way collect wood for the campfire.

Our guide will prepare our meal and then you can relax, reflect on the stunning desert scenery you've seen today, and appreciate the silence and bright starry night sky that can only be found in such a vast uninhabited place.

Overnight in White Desert (B L D).

DAY 12 / FINISH SAFARI, FARAFRA OASIS

After breakfast in the White Desert we finish our safari in the Farafra Oasis, stopping on our way at the Black Desert to see the "flowers of the desert". These spiky chunks of black rock are formed by the rapid crystallization of volcanic eruptions under the sea, and are scattered all across the barren landscape.

At Farafra we take a short tour of the oasis and break for lunch. This is the smallest and most peaceful of the Western Desert oases, and many of the inhabitants are Bedouins who adhere to some of their ancient traditions. You'll see small mud-brick houses in the old area of town, many painted with verses of the Koran and paintings depicting their journeys to Mecca, and can stop to see the sand paintings, and sculptures of the world famous local artist, Badr Abd El Moghny. After a final stop in the oasis for a dip in one of the springs, we drive back through the desert to Baharya and our hotel.

Overnight at hotel in Baharya (B L D).

DAY 13 / BAHARYA OASIS TO CAIRO

We checkout of the hotel, and set off into the desert again, to arrive back in Cairo soon after midday. We check in at our hotel and have the rest of the day free to do some shopping in the bazaar, take an evening dinner cruise on the Nile, or go back to the pyramids for a memorable sound & light show.

Overnight at a hotel in Cairo (B).

DAY 14 / TOUR ENDS

Our tour ends after breakfast and your day is free until we transfer you to the airport in time for your flight home. (B).

PRIVATE DEPARTURES:

You can also choose to do the tour privately, following the itinerary above, but on any other date. We add a small supplement for these departures. Please contact us first to check availability.

ADDITIONAL INFORMATION

OPTIONS:

Booking and paying for options:

Options are split into three types

A - Those that must be booked and paid for in advance (mainly accommodation based).

B - Those that may be booked in advance or in Egypt (generally things you may know you definitely want to do. eg. Abu Simbel option, hot air balloon flights, day trips out of Cairo)

C - Those that are arranged while you are in Egypt (eg. extra city tours, dinner cruises, sound & light shows etc.). Leaving decisions about these until you get to Egypt gives you more flexibility and means you won't lose out if you were to book an option in advance and then not do it.

Prices:

Prices for all of these options are given on our website and/or in a separate Option Price List provided on your arrival in Egypt and from our UK office.

A - ADVANCE BOOKING OPTIONS

These may be booked by selecting them on our online reservation form, and can also be added after you have made your booking, subject to availability at the time.

Single room supplement

If you are a single traveller joining tours like this at our 'Standard' comfort rating, then if you are happy to, you may share a twin room with another single traveller on the tour of the same sex. If there are no other single travellers available for you to pair up with at the time of your booking, then we will need to add the single supplement to your tour price, but will refund this if we are able to pair you up later on.

14 DAYS / SMALL GROUP OR PRIVATE TOUR / CULTURAL ADVENTURE / DESERT SAFARI /

Note: Couples will always be given a private double room, and triple/family rooms are available on request.

Extra days - Price: subject to hotel & party make-up

These are available on request in Cairo before and after the main tour. If you want to add extra days into the time elsewhere, we can arrange this, but please request a tailor-made tour. If you wish, you may book a hotel at a higher or lower level than that used on the tour. In this case, we can offer a transfer to/from the group hotel for a small charge (paid locally). Prices include a night in the hotel, breakfast, all taxes and your airport transfer. Single room supplements apply.

Cairo/Aswan or Luxor/Cairo flight option - Price: on request

The overnight sleeper train timings fit in well with the tour, but if you do want to upgrade, this option provides an extra night in the hotel, all transfers, and an internal flight with Egypt Air instead of the train. Flights are subject to availability and prices are given on request.

Dahabiya upgrade (in place of the felucca cruise)

This Dahabiya upgrade option is a very special experience, as Dahabiyas are normally only available on very exclusive and expensive holidays. Dahabiyas are beautifully crafted sailing-boats which became popular during the British colonisation of Egypt, and we have sourced an excellent boat to use for this option. They provide the best features of a felucca and cruise boat, with the comfort of en-suite AC cabins, and the peace and quiet of a sailing boat, and also give you the most actual sailing time on the river.

You join the boat in Aswan and spend 4 nights on board; one in Aswan and one in Luxor, and two en-route as you sail down-river. Sightseeing tours in Aswan and Luxor are done with the main group, but you visit the temples at Edfu and Komombo with the on-board Egyptologist.

All meals (4 breakfasts, 3 lunches, 4 dinners) are included. Drinks are not included but may be purchased on board.

The boat takes a minimum of 6 and a maximum of 16 travellers. Single cabin supplements apply, and triple cabins are not available.

Luxury Nile cruise upgrade

Note: This option is only offered when the Dahabiya option has been fully taken up and is subject to cruise boat availability.

You join the boat in Aswan and spend 3 nights on board, in Aswan, Edfu and Luxor, with your final night in Luxor in the hotel with the travellers doing the felucca option. Sightseeing tours in Aswan and Luxor are done with the main group, but you visit the temples at Edfu and Komombo with the on-board Egyptologist.

On board you enjoy the comfort of an en-suite AC cabin, a restaurant, bar, sun-deck, shop and plunge pool. All meals (3 breakfasts, 3 lunches, 3 dinners) are included. Drinks are not included but may be purchased on board.

Single cabin supplements apply, and triple cabins are not available.

B - OPTIONS BOOKABLE IN ADVANCE AND IN EGYPT

You will receive more information on all the options available to you while you are in Egypt in the Welcome Pack we provide on your arrival, together with information on how and when to book and pay for them with your guide or our local reps.

Prices are set in Egyptian Pounds but payments may also be made with hard currency (GB Pounds, Euros, US Dollars) at our local exchange rate at the time, which is set monthly. Credit card payments are also accepted in Cairo for these payments (3% fee).

Once booked and paid for, these options are not refundable if you choose not to do them while on the tour.

Abu Simbel tour

In the morning on Day 4, there is the option of an early morning tour to Abu Simbel. Lying 280 km south of Aswan this remarkable temple, dismantled and rebuilt stone by stone to escape the rising waters of Lake Nasser, stands as a testament to the greatness of the Pharaoh Ramses II, and to modern engineering.

We join the early morning convoy which departs at 04.30, returning to Aswan around midday (approx. 3 hours drive each way, with 2 hours at the temples). You do not miss out on any other activities.

Hot air balloon flight

This runs early in the morning in Luxor, so that you catch the early morning sun while you float over the west bank of the Nile. The option price is based on using one of the first flights of the day to see the rising sun over the West Bank of the Nile, so it is a very early start. All transfers are included and you get around 1 hour in the air. You do not miss out on any other activities.

If flights are cancelled for any reason (eg. very strong winds), a refund will be provided.

Note: Please remember to check that your travel insurance will cover hot air balloon flights as many require you to book and pay for the flight in advance. The balloon operators we use are fully licensed and insured - you may see cheaper options advertised locally for later start times and with operators which don't have all this cover in place.

Al Fayoum & Valley of the Whales

This option departs Cairo for the approx. 90 min drive to the Fayoum area after a short break for refreshments following your arrival on the overnight sleeper train from Luxor.

After arriving in Fayoum, learning about the history of the area as Egypt and the Middle East's bread basket, and passing through some extensively irrigated farmland, we head for Wadi Rayan This Protected Area surrounds a fresh-water lake in the middle

Alexandria day trip

This option departs Cairo for the approx. 3 hour drive to Alexandria after a short break for refreshments following your arrival on the overnight sleeper train from Luxor. The guided tour is flexible, but generally always features the Roman amphitheatre, which has twelve semi-circular marble tiers and is in remarkably good condition, Pompey's Pillar, the Citadel built on the site of the famous ancient 'Pharos' lighthouse, and the Catacombs of Kom al-Shoqafa, which is the largest Roman cemetery in Alexandria. Dating from the beginning of the Second Century AD this cemetery displays a unique blend of Pharaonic and Roman art. We may also visit the Al-Montazah Palace in its peaceful garden setting and the impressive new Library of Alexandria. Lunch is included, and you should have a little time to stroll around Alexandria before returning to Cairo (approx. 4 hrs drive).

C - OPTIONS BOOKABLE IN EGYPT

ACCOMMODATION:

Tours set at our 'Standard' comfort rating use good quality hotels at around the 4-star level in Cairo, Aswan and Luxor. All rooms are air-conditioned with en-suite bathrooms. Most hotels have swimming pools and a choice of restaurants and bars. This tour also features several nights in the oases staying in fairly simple but comfortable hotels at around the 2-star level, as well as enjoying one night sleeping under the stars in the White Desert. The hotels in Baharya and Dakhla are normally en-suite but do not always have air-conditioning as the desert nights tend to be cooler than in the Nile Valley.

Please note that for the nights in the Western desert and at Wadi Hitan, mattresses and a blanket are provided, but you will need to bring a sleeping bag with you.

If you are joining one of our group tours, or booking a private departure on the normal tour itinerary, then we will confirm your hotels a couple of weeks before departure. If you want to guarantee a stay in a particular hotel, then please request a tailor-made tour.

Please see our website for more details of the hotels that may be used on the tour.

FELUCCA SAILBOAT:

This tour features a 2-night felucca cruise. Feluccas are very basic traditional Nile sailboats and make for an extremely relaxing and enjoyable way to travel down the river. You sleep on the deck of the boat (mattresses are provided, but you will need a blanket or light sleeping bag). There are no toilet facilities on board, but you will be joined several times each day and at night by another boat

where a toilet and warm showers will be available. (Note - this boat will not be in service until after October 2011. Until then the crew will continue to dig a basic latrine on shore at night and you can use facilities at sites visited during the day). Mosquito nets are provided for use while you are sleeping but you should bring mosquito repellent for the evenings and early mornings.

You can see some photos of typical feluccas in the slide-shows on our website.

TRANSPORT:

This tour aims at balancing a comfortable and enjoyable travelling experience with seeing as much of Egypt and Egyptian life as possible. We therefore use the overnight sleeper train for the journeys between Cairo and Aswan/Luxor instead of the much more basic sitting train, and private air-conditioned minibuses and coaches for all the sightseeing tours and transfers. Most vehicles used are fitted with speed limiters and all are inspected & checked daily.

A 4x4 jeep is used for the White desert safari section where we need to go off-road.

TRANSFERS:

The tour includes a 24-hour airport meet & assist service in Cairo airport, your arrival and departure airport transfers and all other transfers.

INTERNATIONAL FLIGHTS:

In order to keep our tours flexible, and to make them accessible to as many people as possible, we do not include your international flights in the set tour itinerary or price.

However, we do hold an ATOL (UK flight sales license) and are happy to book your flights for you. If you let us know your ideal dates and departure airport, then we will be happy to provide you

with some flight options that we can arrange for you. You can then choose whether to book the flights through us, or make your own arrangements. Either way, your airport arrival & departure transfers are included.

GROUP SIZE/TOUR LEADERS/GUIDES:

In order to provide the most personal service, and to make sure that you get as much out of our tours as possible, we like to keep our groups small. We therefore set the maximum number at 18 and the minimum at 3 people. You can join our group departures as an individual, couple, group of friends, or family (min age 12).

One of our reps from Cairo will accompany you throughout the desert loop, together with a Bedouin driver & assistant who have good local knowledge of the desert and oases.

For this tour we provide a fully trained, local English-speaking Egyptologist to act as your tour guide. He/she will be with you for all of the sightseeing tours in Cairo and the Nile Valley. Our local reps in all the towns and cities en-route are also at your service, and will be handling all the practical arrangements for the tour. For some private tours and groups of fewer than 4 people, we may use one guide in Cairo, and a second guide for the Aswan to Luxor section.

Our policy at Egypt Uncovered is to use only local guides and reps in Egypt. We feel this gives you the best experience of the country and the sites you are seeing. More details are given on our website.

ENTRANCE FEES:

The tour price does not include entrance fees to the tourist sites mentioned in the itinerary. You should allow around GB£65 per person (50% for minors or ISIC card holders), to cover all of the sites we visit in Egypt. Your guide will be happy to collect payment for all the entrance fees at the start of the tour, and pay them for you as you go along if you wish.

TIPPING:

Tipping is very much a part of Egyptian culture and customs. To make our prices more transparent and so it is easier for you to budget and less hassle while in Egypt, we include a 'Tipping Kitty' in your tour price. This provides tips for a wide range of people you'll meet along the tour including hotel porters, train and station staff, drivers, local reps etc.. Your Egyptologist guide is not included in this kitty and you may tip them at the end of your tour subject to your satisfaction with and appreciation of the service they have provided.

DATES & PRICES:

We run regular small-group departures on this tour, normally every two weeks, throughout the year. These departure dates and prices are listed on our website and on a separate dates & prices sheet available on request. We can also run the set tour itinerary privately for you on other dates, or customise it to make a tailor-made tour to fit your personal requirements.

HEALTH:

For up to date health information & vaccination requirements for Egypt we recommend that you contact your GP or a travel clinic (1st Contact travel clinic gives free advice tel. 0800 0393073).

General vaccination recommendations for Egypt include Tetanus, Typhoid, Polio and Hepatitis A.

RESPONSIBLE TOURISM:

We take responsible travel seriously, and as well as taking this into consideration when we design our itineraries, and select the people and agents we work with, we also donate £2 for every person travelling on one of our Egyptian tours. This is split between two projects - the Dar Al Rahman orphanage in Cairo, and a desert clean-up project in Wadi Rayan, near Al Fayoum. You will have the chance to visit the orphanage if you wish during your time in Cairo, and if you would like to support either of these projects while you are in Egypt, you would be very welcome.

Full details of our responsible travel policy are given on our website.
