DETAILED ITINERARY

DAY (1) EXTRA OPTIONS

Cairo pre-tour option

See page 3 for details

DAY 1 / ARRIVE IN SHARM-EL-SHEIKH

You arrive at Sharm-el-Sheikh airport where we greet you and transfer you on the 1 ½ hour drive through the mountains to Dahab. Here, you check into your hotel, our rep helps you settle in, and lets you know the plan for the next few days.

The word Dahab in Arabic means gold and refers to the fine yellow sand that colours its beaches. Most of the hotels and dive centres are located around the Bedouin village of Assalah, which lies along the shore of Ghazala Bay and is a collection of campsites, hotels, restaurants, shops and bars, dotted with palm trees. It is here that you will experience the Bohemian feel that makes Dahab so special. Overnight at hotel in Dahab.

DAY 2-6 / DAHAB, DIVING

Today, we'll introduce you to the Dive centre, and plan your first dives. The Centre will inform you of which dives are available for you to do, and when. Your logbook and card will be checked, and depending on your experience and date of your last dive, you may be required to take a refresher dive, see: 'Documentation' below.

You can use these days to explore some of the best dive sites available in the area, some of them world famous!

Some of the best dive sites in the area include:

- A wall dive down to the **Eel Gardens** is a must for divers of all levels. Bottoming at fewer than 20m, there are few other sites that get you this close to Garden Eels in their natural habitat.
- **The Lighthouse** offers a variety of routes, for all levels, and is especially popular as a night dive. This dive can be combined with

a drift dive from the **Eel Gardens**.

- **The Fish Bowl** is an enclosed circular cavern filled with small goldfish. Access is via beautiful coral gardens and there are several entrance/exit points, starting at 12-15m.
- **The Islands** is a collection of small islands that provide a maze of beautiful coral gardens. A max depth of approx 16m means plenty of sunlight and an unequalled diversity of marine life.
- Drift dive along a coral wall at **Rick's Reef** and over the top of **The Canyon**. At only 20m (max) depth, this dive is suitable for all levels.
- The experience of finning across the centre of the **Blue Hole** after a wall dive down to about 30m makes this site extremely popular. At over 50m wide and 100m deep, this deep pool also provides access to an archway (about 50m down) that exits into the deep blue sea.
- **The Bells** is a crack in the reef that exits at about 30m to reveal the bottomless ocean.

Overnight at hotel in Dahab (B).

DAY 2-6 EXTRA OPTIONS

Refresher dive option

See page 3 for details

DAY 7 / DAHAB, FREE DAY

Your last full day in Dahab is left free for you to relax. You can also visit Mt. Sinai and St. Catherine's monastery (though discuss with your dive centre about the 24 hour rule if you plan to climb the mountain), and we also offer a 4x4 desert jeep safari option to the Coloured & White Canyons, and the Ain Khudra Oasis.

If you want to do some extra dives, then we can arrange these in advance, or you can sort them out with the dive school while you are there (subject to the availability of the local Dive Masters and Instructors), within the restrictions of the 24 diving and flying rule.

Overnight at hotel in Dahab (B).

DAY 7 EXTRA OPTIONS

Cairo post-tour option

2 extra dives option

Desert jeep safari option

See page 3 for details

DAY 8 / TOUR ENDS

Your time is free this morning, until we transfer you back through the mountains to Sharm-el-Sheikh airport for your flight home. (B).

then continue the bright green Ain Khudra Oasis where you can relax among the many palm and date trees, and enjoy a traditional Bedouin cooked lunch. Our next stop is the White Canyon, which also has strange rock formations but looks completely different to the coloured canyon. There is a ladder and steep path with a rope handrail at the end of the canyon so you need to be relatively fit for this trip. Finally we take you back to Dahab to relax for the evening.

ACCOMMODATION:

Our Standard level diving tours use good quality hotels (approx. 2 to 3-star) in which all rooms have air-conditioning and en-suite bathrooms. In Cairo, subject to availability, we like to use a pyramids area hotel with a pool in the summer months, and a city centre hotel when it is cooler in the winter months. The hotel in Dahab has a swimming pool, and the normal hotels we use are located within walking distance of the dive centre.

Hotels used on this tour (subject to availability):

Cairo (3-star):

- Zayed Hotel, Oasis Hotel.

Dahab (3-star):

- Oricana Hotel, Dyarna Hotel.

At certain times of the year or where circumstances & availability dictate we may need to use a different hotel from the one listed above. In this event alternative hotels will always be of a similar standard.

Please see our website for more current details of the hotels that would be used on the tour.

MEALS:

We include breakfasts only in our diving tours in Egypt. This is because you will need to start relatively early, and we have found it more convenient for you to take breakfast in the hotel. The opportunities for eating out for lunch and dinner in Dahab are extensive, cheap, and of good quality - most people find that the food here is one of the highlights of their stay.

TRANSPORT:

We provide a private transfer by air-conditioned car, minivan or minibus between Sharm-el-Sheikh airport and Dahab, and for any sightseeing tours in Cairo. The optional journey to and from Cairo is done using an overnight air-conditioned public tourist coach. Day-time coaches, private vehicles and internal flight upgrades are available if required.

TRANSFERS:

All our tours include a 24-hour meet & greet service in Sharm-el-Sheikh airport. Our representative will meet you after you go through Passport Control in Sharm-el-Sheikh airport, and transfer you straight to your hotel (approx. 1 ½ hours). Your departure airport transfer is also included, as are all other transfers involved in the tour.

INTERNATIONAL FLIGHTS:

In order to keep our tours flexible, and to make them accessible to as many people as possible, we do not include your international flights in the set tour itinerary or price.

However, we do hold an ATOL (UK flight sales license) and are happy to book your flights for you. If you let us know your ideal dates and departure airport, then we will be happy to provide you with some flight options that we can arrange for you. You can then choose whether to book the flights through us, or make your own arrangements. Either way, your airport arrival & departure transfers are included.

TOUR LEADERS/GUIDES:

In order to provide the most personal service, and to make sure that you get as much out of our diving tours as possible, we like to keep our groups small. We therefore set the maximum number at 8 and the minimum at 2 people.

Our policy at Egypt Uncovered is to use only local guides and tour leaders where possible and for more details on our reasons for this please visit the 'Tour Type' page on our website. Our local reps in all the towns and cities en-route are also at your service.

There still aren't enough qualified Egyptian diving instructors to go around however, so when we do use Western instructors, these will have worked in Dahab for some time, and know the country and surrounding dive sites well.

DIVING:

When you are booking dive(s) and diving courses in advance, you should consider the possibility that you might not elect (for whatever reason) to use one or more of those dives. Dives are strictly non-transferable, and no refund would be issued if you did not use up all your dives. In the eventuality of a diving problem occurring whilst on one of our dive packages or courses, unfortunately no refund can be issued.

RESPONSIBLE TOURISM:

We take responsible travel seriously, and as well as taking this into consideration when we design our itineraries, and select the people and agents we work with, we also donate £2 for every person travelling on of our Egyptian tours. This is split between two projects - the Dar Al Rahman orphanage in Cairo, and a desert clean-up project in Wadi Rayan, near Al Fayoum. If you would like to visit or support either of these projects while you are in Egypt, please let your guide or our Cairo representatives know. Full details of our responsible travel policy are given on our website.
