DETAILED ITINERARY

DAY 1 / ARRIVE IN CAIRO

You arrive at Cairo airport where we greet and transfer you to your hotel. Our Egypt Uncovered rep. welcomes you, helps you settle into the hotel, and outlines the plan for the next few days.

Overnight at hotel in Cairo.

DAY 2 / CAIRO. PYRAMIDS, SPHINX & MUSEUM TOUR

After breakfast we have a short pre-tour briefing before we take you on a tour of the spectacular pyramids & sphinx. Giza was built around 4600 years ago as a necropolis (cemetery) for the pharaoh Khufu (Cheops). The successor of Sneferu, Khufu was known as a tyrant and in his arrogance decided to have built a tomb that was bigger and better than all others. At 500 feet high and 750 feet wide at its base the Pyramid of Khufu is an awesome man-made structure constructed of giant stone blocks with a hard limestone casing. The casing has, over the years, been stripped away to leave exposed the inner block structure. Together with the smaller pyramids of Khafre (Chephren) and Menkaure (Mycerinus), the majestic sight of these enormous structures rising out of the desert is a breathtaking spectacle.

Here you have the chance to climb inside one of the pyramids (there are a limited number of tickets available in the Great Pyramid, so we cannot guarantee entry), and also to take a camel ride (approx. £2-5 p/p for around 30mins).

Close by, the mysterious Sphinx stands guard, as it has done so for thousands of years. You have another guided tour around the sphinx and some free time to walk around and take photos.

From here we take you to the centre of Cairo to visit the Egyptian Museum, one of the world's most famous museums. The museum houses a vast collection of artefacts from Egypt's past, including the famous King Tutankhamun display.

Finally we head back to the hotel where you will have a free evening and a chance to relax and try one of the city's many excellent restaurants.

Overnight at hotel in Cairo (B)

DAY 3/ DRIVE TO DAHAB, FREE TIME

We leave Cairo early this morning for the drive to Dahab (approx. 7-10 hours depending on the traffic and how many stops we make). The afternoon is free to relax by the hotel pool or beach, or head into Assalah to enjoy the unique feel of this friendly village.

The word Dahab in Arabic means gold and refers to the fine yellow sand that colours the beaches either side of the main bay. The Bedouin village of Assalah lies along the shore of Ghazala Bay and is a collection of campsites, hotels, restaurants, shops, dive-centres and bars, dotted with palm trees. It is here that you'll experience the Bohemian feel that makes Dahab so special (most hotels provide shuttle buses and taxis to and fro are cheap as well). The evenings provide a perfect opportunity to try out some of the many restaurants and excellent local seafood.

Note: *You may join with travellers from two of our other small-group tours for the time in Dahab and Jordan.*

Overnight at hotel in Dahab (B).

DAY 3 EXTRA OPTIONS

Overnight Mount Sinai climb

DAY 4 / DAHAB. FREE TIME

We have a free day today, with plenty of time for you to relax or try an introductory scuba-dive. We also offer an option to travel a short way out of town, and go snorkelling at the famous Blue Hole, an 80m-deep, reef lined pool (equipment included). Here we spend time relaxing and exploring the wonders of the Red Sea. The clear blue waters are home to myriad marine life including many varieties of colourful fish and corals.

Overnight at hotel in Dahab (B)

DAY 4 EXTRA OPTIONS

Snorkelling at the Blue Hole

DAY 5 / DRIVE TO JORDAN. WADI RUM JEEP SAFARI.

We leave Dahab early this morning and head North to Nuweiba to take the early morning ferry to Aqaba, Jordan. One of our Jordanian reps greets you on arrival in Aqaba and assists with visa formalities. You will then enjoy breakfast at a local restaurant and visit Aqaba fort. We leave the Red Sea for the spectacular desert & mountains of Wadi Rum (approx. 45 mins drive). The desert here, with its towering rust coloured rocky 'jebels' awed TE Lawrence during his visits during the Arab Revolt of 1917-18, and was later made famous in the film Lawrence of Arabia.

After arriving in Wadi Rum, we take a jeep safari through the beautiful desert scenery, seeing more of the sheer cliffs and bizarre rock formations, and breaking for a Bedouin lunch en-route.

We then spend a memorable night here at a Bedouin camp where we enjoy their hospitality, traditional food, and plenty of tea. You can sleep in the Bedouin tents, or outside under the stars if you prefer. During the summer months when the weather is warmer, we use a mobile camp, and in winter (approx. Nov-Feb) when it is cold and more prone to rain, we use a fixed camp with more facilities and shelter.

Note: *If the ferry is not running for any reason, we will cross into Jordan overland via Eilat in Israel.*

Overnight Bedouin Camp (B L D).

DAY 6 / PETRA

This morning as we drive out through the desert to rejoin the Desert Highway, the Jebels get smaller, and the desert more expansive. After a short time on the main road, we start to climb into the hills, and turn off towards Petra. Also made

10 DAYS / SMALL GROUP OR PRIVATE TOUR / CLASSIC JOURNEY /

more famous by a film, this time the rather different 'Indiana Jones and the Last Crusade', Petra is, for good reason, Jordan's tourism highlight.

The ancient capital of the Nabataean commercial empire until the Romans finally took over in 106AD, Petra was largely forgotten, except by the local Bedouins, until it was 'discovered' in 1812 by a young Swiss explorer, Johann Ludwig Burckhardt. This was partly due to its remoteness, and its situation on the edge of Wadi Aruba., whose canyon walls and surrounding hills make it almost impossible to approach except through a narrow, winding cleft in the rock, called the Siq. The city itself has very few free-standing buildings, as the Nabateans chose to carve their homes, buildings and tombs into the multi-coloured sandstone cliffs. Nowadays, the Jordanian government and local people are well aware of Petra's interest to tourists, and the tourism infrastructure in the adjoining village of Wadi Musa is booming, though, thankfully, once you enter through the Siq, the site is protected, and all the building feels miles away.

We have a whole day today to tour this fascinating city, escorted by an expert local guide (4 hour tour, then free time to explore yourselves). We start by walking through the Siq, which rises to 200m above us, and narrows to just 2m wide in places. The ancient Nabatean water channel can still be seen on one wall, as well as some remnants of the terracotta pipes that brought water into the city. All of a sudden, a now classic view appears around one corner, and one of Petra's most impressive monuments, the Khazneh (Treasury) comes into view. Our guide will explain how this, and the other buildings here, are mainly elaborate facades carved into the rock from the top down, and also discuss the spiritual significance of the building style. From the Khazneh, the valley opens out, with tombs carved into the rock on both sides. We'll see the ruined Roman amphitheatre, and colonnaded street, and can walk up a steep and narrow winding gorge past beautifully coloured sandstone cliff walls to the huge and imposing 'Monastery'. The biggest of Petra's carved monuments at 50m high and 45m wide,

this is truly spectacular, as are the distant views west across Wadi Aruba and the Jordan valley. Another climb can take us to the High Place of Sacrifice, and Lion Fountain.

All in all, this is a full & tiring, but hugely rewarding day touring one of the world's most famous ancient sites. We spend the evening and night relaxing at our hotel.

An option is available to return to the Siq in the evening for the Petra by Candlelight tour through the Siq to the Treasury.

Overnight at hotel in Petra (B L).

DAY 7 / MORNING TOUR TO VISIT LITTLE PETRA

This morning we visit Siq al-Berid, often known to tourists as 'Little Petra'. The whole of Little Petra was once a thriving community and almost every nook and cranny provides evidence of Nabatean habitation. When you first enter the Siq you will discover why this was once referred to as the 'Cold Siq'. Almost no sunlight reaches the ground, and because of this the area stays cold most of the time. Little Petra differs from the main Petra site due to the density of the rock carved houses and temples and also the rock cut steps which lead off in all directions to a multi-storey alley-way which must have once buzzed with life. Our guide will ensure that you visit the main highlights whilst at Little Petra and you will also have some free time to explore on your own. In the afternoon you can relax in the hotel, explore the village of Wadi Musa, or return to the main Petra site where you will have more free time to continue exploring this amazing site (a 2-day ticket is included for Petra)

Overnight at hotel in Petra (B)

DAY 8 / PETRA, KERAK, MADABA, MT. NEBO

We leave Petra this morning and drive north to Amman up the King's Highway (a slower, but much more interesting and beautiful drive than the busy Desert Highway). Our first stop is at the old Crusader town and castle at Kerak, which lies on the ancient Egypt-

Syrian caravan routes. Built in 1132AD by the Crusader King, Baldwin 1 of Jerusalem, the castle fell to Saladin in 1188AD. It is still a hugely impressive building with commanding views over the surrounding hills & plains.

From Kerak, we head further north crossing several deep Wadis, including the majestic Wadi al-Mujib, where the road winds down and back up the other side of this 1km deep canyon.

Arriving in Madaba, an important Christian town in Jordan, we stop to see some of its famous and priceless Byzantine era mosaics, including one of a 6th century map of Palestine in the Greek Orthodox St. George's church, which was laid out in 560AD on an area of well over 100square metres, using more than 2 million pieces.

Close to Madaba is the Mt. Nebo area, used as a memorial to Moses. There are 3 peaks, with spectacular views to the Dead Sea, and on a clear day, all the way to the church spires of Jerusalem.

We finish our journey today with a short drive into Jordan's capital city, Amman.

Overnight at hotel in Amman (B).

DAY 9/ AMMAN, JERASH, DEAD SEA

We have a couple of visits today, first to the Roman ruins at Jerash, and then to the Dead Sea where we stop to enjoy a swim in this strange place, over 200m below sea level. Our visit to Jerash takes us to what is probably Jordan's second most visited tourist site. As with Petra, this is for good reason, as the Roman ruins here are very well preserved, and an excellent example of a Roman provincial city.

In the afternoon we arrive at the Dead Sea, where the intense salinity of the waters here (around 33%), caused by the intense evaporation rate, leads to a very strange swimming experience. In fact, normal swimming is not really possible, and it is easier (and more photogenic!) just to float, sitting or lying in the water. Be

careful not to get any water in your eyes, as it will sting very strongly - you'll also discover various tiny cuts you never thought you had. We ensure we bathe where there are clean water springs or shower facilities so that you can wash the salty water off before it dries and starts to itch!.

We return to Amman late in the afternoon where we have time for a sunset tour before turning to our hotel.

Overnight at hotel in Amman (B).

DAY 10 / AMMAN, TOUR ENDS

Your tour ends after breakfast and your time is free until we transfer you to the airport for your flight home. A day trip into Israel to visit Jerusalem and Bethlehem is available on request (this may require you to add an extra night in the hotel in Amman as well). (B).

If you are joining one of our group tours, or booking a private departure on the normal tour itinerary, then we will confirm your hotels a couple of weeks before departure. If you want to guarantee a stay in a particular hotel, then please request a tailor-made tour.

Please see our website for more details of the hotels that may be used on the tour.

BEDOUIN CAMP IN WADI RUM:

We use two different styles of Bedouin camp in Wadi Rum, depending on the time of year and weather. During the summer months (generally Mar-Oct) we use a mobile camp which allows us to find a remote location away from other travellers and enjoy a quiet night under the stars. In the winter months (generally Nov-Feb) and if the weather is bad, we use a fixed, well-organised camp with more facilities and traditional Bedouin tents. Mattresses and blankets are provided at both camps and you can sleep under cover or under the stars if you prefer. Basic toilet facilities are provided.

FELUCCA SAILBOAT:

This tour features a 2-night felucca cruise. Feluccas are very basic traditional Nile sailboats and make for an extremely relaxing and enjoyable way to travel down the river. You sleep on the deck of the boat (mattresses are provided, but you will need a blanket or light sleeping bag). There are no toilet facilities on board, but you will be joined several times each day and at night by another boat where a toilet and warm showers will be available. Mosquito nets are provided for use while you are sleeping but you should bring mosquito repellent for the evenings and early mornings.

You can see some photos of typical feluccas in the slide-shows on our website.

TRANSPORT:

This tour aims at balancing a comfortable and enjoyable travelling experience with seeing as much of Egypt and Jordan and local life as possible. We use private air-conditioned minibuses and coaches for all the sightseeing tours and transfers. Most vehicles used are fitted with speed limiters and all are inspected & checked daily. In Wadi Rum we use basic 4x4 jeeps which are owned by the local Bedouin. Local regulations do not allow us to send vehicles into Wadi Rum and while suitable for use in the desert, the jeeps used may not reach our normal vehicle safety standards.

10 DAYS / SMALL GROUP OR PRIVATE TOUR / CLASSIC JOURNEY /

TRANSFERS:

The tour includes a 24-hour airport meet & assist service in Cairo airport, your arrival and departure airport transfers and all other transfers.

INTERNATIONAL FLIGHTS:

In order to keep our tours flexible, and to make them accessible to as many people as possible, we do not include your international flights in the set tour itinerary or price.

However, we do hold an ATOL (UK flight sales license) and are happy to book your flights for you. If you let us know your ideal dates and departure airport, then we will be happy to provide you with some flight options that we can arrange for you. You can then choose whether to book the flights through us, or make your own arrangements. Either way, your airport arrival & departure transfers are included.

TOUR LEADERS/GUIDES:

In order to provide the most personal service, and to make sure that you get as much out of our tours as possible, we like to keep our groups small. We therefore set the maximum number at 18 and the minimum at 2 people. You can join our group departures as an individual, couple, group of friends, or family (min age 12).

For this tour we provide a fully trained, local English-speaking Egyptologist to act as your tour guide. He/she will be with you for all of the sightseeing tours in Cairo. Our local reps in all the towns and cities en-route are also at your service, and will be handling all the practical arrangements for the tour.

We have a permanent rep in Dahab who will look after everything there for you. He will travel with you to Nuweiba where you board the ferry to Aqaba, where you will be met by a Jordanian driver and rep.

In Jordan, small groups (up to 5 people) will travel with a vehicle and

English speaking driver, using specialist local guides at each of the sites. Larger groups will have an escort guide and driver throughout.

Our policy at Egypt Uncovered is to use only local guides and reps in Egypt and Jordan. We feel this gives you the best experience of the country and the sites you are seeing. More details are given on our website.

ENTRANCE FEES:

The tour price does not include entrance fees to the EGYPTIAN tourist sites mentioned in the itinerary. However, entrance fees to all the sites in JORDAN are included (this includes a 2-day ticket into Petra). You should allow around GB£20 per person (50% for minors or ISIC card holders), to cover all of the sites we visit in Egypt. Your guide will be happy to collect payment for all the entrance fees at the start of the tour, and pay them for you as you go along if you wish.

TIPPING:

Tipping is very much a part of Egyptian and Jordanian culture and customs. To make our prices more transparent and so it is easier for you to budget and less hassle while you travel, we include a 'Tipping Kitty' in your tour price. This provides tips for a wide range of people you'll meet along the tour including hotel porters, drivers, local reps etc..

Your Egyptologist guide and Jordanian guide(s) and/or driver are not included in this kitty and you may tip them at the end of your tour subject to your satisfaction with, and appreciation of the service they have provided.

DATES & PRICES:

We run regular small-group departures on this tour, normally every two weeks, throughout the year. These departure dates and prices are listed on our website and on a separate dates & prices sheet

available on request. We can also run the set tour itinerary privately for you on other dates, or customise it to make a tailor-made tour to fit your personal requirements.

HEALTH:

For up to date health information & vaccination requirements for Egypt and Jordan we recommend that you contact your GP or a travel clinic (1st Contact travel clinic gives free advice tel. 0800 0393073).

General vaccination recommendations for Egypt and Jordan include Tetanus, Typhoid, Polio and Hepatitis A.

VISAS:

Egypt:

Many nationalities (including UK, USA, European, Australian, Canadian) can obtain their Egyptian visa on arrival in Cairo airport (cost US\$15 or equivalent).

All African nationals will need to arrange their Egypt visa in advance.

Jordan:

For many nationalities (including UK, USA, European, Australian, Canadian) the group visa we can obtain on arrival in Aqaba for groups of 5 or more people is free. However, as our travellers often depart from Amman on different flights, you are no longer considered to be part of a group and the visa fee of 10JD (British/European citizens) is due. Please have 10JD (or equivalent in Aqaba) ready to pay for this visa when you arrive in Aqaba or when you leave from Amman airport.

Other nationalities may require a visa prior to arrival and to obtain this in advance please contact your local consulate for details.
