DETAILED ITINERARY

NOTE: Group departures on this tour may join with travellers from other tours. These travellers may have explored the Nile Valley or deserts before joining you, but after leaving Cairo for Dahab the tours run together on an identical itinerary.

DAY 1 / ARRIVE IN CAIRO

You arrive at Cairo airport where we greet and transfer you to your hotel. Our Egypt Uncovered rep. welcomes you, helps you settle into the hotel, and outlines the plan for the next few days.

Overnight at hotel in Cairo.

DAY 2 / CAIRO. PYRAMIDS, SPHINX & MUSEUM TOUR

After breakfast we have a short pre-tour briefing before we take you on a tour of the spectacular pyramids & sphinx. Giza was built around 4600 years ago as a necropolis (cemetery) for the pharaoh Khufu (Cheops). The successor of Sneferu, Khufu was known as a tyrant and in his arrogance decided to have built a tomb that was bigger and better than all others. At 500 feet high and 750 feet wide at its base the Pyramid of Khufu is an awesome man-made structure constructed of giant stone blocks with a hard limestone casing. The casing has, over the years, been stripped away to leave exposed the inner block structure. Together with the smaller pyramids of Khafre (Chephern) and Menkaure (Mycerinus), the majestic sight of these enormous structures rising out of the desert is a breathtaking spectacle.

Here you have the chance to climb inside one of the pyramids (there are a limited number of tickets available in the Great Pyramid, so we cannot guarantee entry), and also to take a camel ride (approx. £2-5 p/p for around 30mins).

Close by, the mysterious Sphinx stands guard, as it has done so for thousands of years. You have another guided tour around the sphinx

and some free time to walk around and take photos.

From here we take you to the centre of Cairo to visit the Egyptian Museum, one of the world's most famous museums. The museum houses a vast collection of artefacts from Egypt's past, including the famous King Tutunkhamun display.

Finally we head back to the hotel where you will have a free evening and a chance to relax and try one of the city's many excellent restaurants.

Overnight at hotel in Cairo.

DAY 3 / DRIVE TO DAHAB, FREE TIME

We leave Cairo early this morning for the drive to Dahab (approx. 7-8 hours by tourist coach, private vehicles used if more than 4 people in the group). The afternoon is free to relax by the hotel pool or to find a beach, and enjoy the unique feel of this friendly village.

The word Dahab in Arabic means gold and refers to the fine yellow sand that colours the beaches either side of the main bay. The Bedouin village of Assalah lies along the shore of Ghazala Bay and is a collection of campsites, hotels, restaurants, shops, dive-centres and bars, dotted with palm trees. It is here that you'll experience the Bohemian feel that makes Dahab so special. The evenings provide a perfect opportunity to try out some of the many wonderful restaurants and seafood.

Overnight at hotel in Dahab (B).

DAY 10 EXTRA OPTIONS

Overnight Mount Sinai climb

DAY 4 / DAHAB. FREE TIME

We have a free day today, with plenty of time for you to relax or try an introductory scuba-dive. We also offer an option to travel a short way out of town, and go snorkelling at the famous Blue Hole, an 80m-deep, reef lined pool (equipment included). Here we spend

time relaxing and exploring the wonders of the Red Sea. The clear blue waters are home to myriad marine life including many varieties of colourful fish and corals.

Overnight at hotel in Dahab.

DAY 4 EXTRA OPTIONS

Snorkelling at the Blue Hole

Scuba Diving options

Jeep safari to the Coloured & White Canyons

Note: You may join with travellers from some of our other small-group tours for the time in Jordan. These tour itineraries are identical to this one in Jordan, though some travellers may stay in different hotels.

DAY 5 / DRIVE TO JORDAN. WADI RUM JEEP SAFARI.

We leave Dahab early this morning and head North to Taba to cross overland through Eilat (Israel) into Jordan. You are accompanied throughout and this is a straightforward crossing during which your passports will not receive an Israeli stamp. Once in Aqaba, we leave the Red Sea for the spectacular desert & mountains of Wadi Rum. The desert here, with its towering rust coloured rocky 'jebels' awed TE Lawrence during his visits during the Arab Revolt of 1917-18, and was later made famous in the film Lawrence of Arabia.

After a traditional Bedouin Lunch inside Wadi Rum, we take a jeep safari this afternoon through the stunning desert scenery to see more of the sheer cliffs and bizarre rock formations

Later in the afternoon we drive out through the desert to rejoin the Desert Highway, the Jebels get smaller, and the desert more expansive. After a short time on the main road, we start to climb into the hills, and turn off towards Petra. Also made more famous by a film, this time the rather different 'Indiana Jones and the Last Crusade', Petra is, for good reason, Jordan's tourism highlight.

9 DAYS / SMALL GROUP OR PRIVATE TOUR / STANDARD TOUR /

DAY 6 / PETRA

We have a whole day today to tour this fascinating city, escorted by an expert local guide (4 hour tour, then free time to explore yourselves). We start by walking through the Siq, which rises to 200m above us, and narrows to just 2m wide in places. The ancient Nabatean water channel can still be seen on one wall, as well as some remnants of the terracotta pipes that brought water into the city. All of a sudden, a now classic view appears around one corner, and one of Petra's most impressive monuments, the Khazneh (Treasury) comes into view. Our guide will explain how this, and the other buildings here, are mainly elaborate facades carved into the rock from the top down, and also discuss the spiritual significance of the building style. From the Khazneh, the valley opens out, with tombs carved into the rock on both sides. We'll see the ruined Roman amphitheatre, and colonnaded street, and can walk up a steep and narrow winding gorge past beautifully coloured sandstone cliff walls to the huge and imposing 'Monastery'. The biggest of Petra's carved monuments at 50m high and 45m wide, this is truly spectacular, as are the distant views west across Wadi Aruba and the Jordan valley. Another climb can take us to the High Place of Sacrifice, and Lion Fountain.

All in all, this is a full & tiring, but hugely rewarding day touring one of the world's most famous ancient sites. We spend the evening and night relaxing at our hotel.

The ancient capital of the Nabataean commercial empire until the Romans finally took over in 106AD, Petra was largely forgotten, except by the local Bedouins, until it was 'discovered' in 1812 by a young Swiss explorer, Johann Ludwig Burckhardt. This was partly due to its remoteness, and its situation on the edge of Wadi Aruba, whose canyon walls and surrounding hills make it almost impossible to approach except through a narrow, winding cleft in the rock, called the Siq. The city itself has very few free-standing buildings, as the Nabateans chose to carve their homes, buildings and tombs into the multi-coloured sandstone cliffs. Nowadays, the Jordanian government and local people are well aware of Petra's interest to

tourists, and the tourism infrastructure in the adjoining village of Wadi Musa is booming, though, thankfully, once you enter through the Siq, the site is protected, and all the building feels miles away.

An option is available to return to the Siq in the evening for the Petra by Candlelight tour through the Siq to the Treasury.

Overnight at hotel in Petra (B L).

DAY 7 / PETRA, KERAK, MADABA, MT. NEBO

We have time for another visit into Petra early this morning (a 2-day ticket is included) to see the rising sun highlight the colourful rock temples & cliffs, before we leave mid-morning and drive north to Amman up the King's Highway (a slower, but much more interesting and beautiful drive than the busy Desert Highway). Our first stop is at the old Crusader town and castle at Kerak, which lies on the ancient Egypt-Syrian caravan routes. Built in 1132AD by the Crusader King, Baldwin 1 of Jerusalem, the castle fell to Saladin in 1188AD. It is still an impressive building with commanding views over the surrounding hills & plains.

From Kerak, we head further north crossing several deep Wadis, including the majestic Wadi al-Mujib, where the road winds down, and then up the other side of this 1km deep canyon.

Arriving in Madaba, an important Christian town in Jordan, we stop to see some of its famous and priceless Byzantine era mosaics, including one of a 6th century map of Palestine in the Greek Orthodox St. George's church, which was laid out in 560AD on an area of well over 100sq metres, using more than 2 million pieces.

Close to Madaba is the Mt. Nebo area, used as a memorial to Moses. There are 3 peaks, with spectacular views to the Dead Sea, and on a clear day, all the way to the church spires of Jerusalem.

We finish our journey today with a short drive into Jordan's capital city, Amman.

Overnight at hotel in Amman (B).

DAY 8 / AMMAN, JERASH, DEAD SEA

We have a couple of visits today, one to the Roman ruins at Jerash, and the other the Dead Sea where we stop to enjoy a swim in this strange place, over 200m below sea level. The intense salinity, around 33%, of the waters here, caused by the intense evaporation rate, leads to a very strange swimming experience. In fact, normal swimming is not really possible, and it is easier (and more photogenic!) just to float, sitting or lying in the water. Be careful not to get any water in your eyes, as it will sting very strongly - you'll also discover various tiny cuts you never thought you had. We ensure we bathe where there are clean water springs or shower facilities so that you can wash the salty water off before it dries and starts to itch!

Our visit to Jerash takes us to what is probably Jordan's second most visited tourist site. As with Petra, this is for good reason, as the Roman ruins here are very well preserved, and an excellent example of a Roman provincial city.

We return to Amman late in the afternoon and you have some free time to visit the bazaars, numerous gold shops, and the Roman museum in the city centre.

Overnight at hotel in Amman (B).

DAY 9 / AMMAN, TOUR ENDS

Your tour ends after breakfast and your time is free until we transfer you to the airport for your flight home. A day trip into Israel to visit Jerusalem and Bethlehem is available on request (this may require you to add an extra night in the hotel in Amman as well). (B).

However, entrance fees to all the sites in JORDAN are included (this includes a 2-day ticket into Petra). You should allow around GB£20 per person (50% for minors), to cover all of the sites we visit in Egypt. Your guide will be happy to collect payment for all the entrance fees at the start of the tour, and pay them for you as you go along if you wish.

DATES & PRICES:

We run regular small-group departures on this tour, normally every two weeks, throughout the year. VISAS:

On this tour there are visa considerations for three countries - Egypt, Jordan and Israel.

Egypt:

Many nationalities (including UK, USA, European, Australian, Canadian) can obtain their Egyptian visa on arrival in Cairo airport (cost US\$15 or equivalent). Our local representative will assist you with this process if possible.

All African nationals and some other nationalities will need to arrange their Egypt visa in advance. Please contact your local consulate for details.

Jordan:

For many nationalities (including UK, USA, European, Australian, Canadian) there is no requirement to pay for a Jordanian visa when you enter Jordan via Aqaba (as on this tour). Other nationalities may still require a visa and to obtain this in advance - please contact your local consulate for details.

Israel:

There is no visa required for many nationalities entering Israel briefly to transit from Egypt to Jordan (including British, European, USA, Australia, New Zealand citizens). Most African, and many Asian nationalities must obtain their Israel visas in advance. We recommend that you contact us, or your closest Israeli consulate/embassy for current information for your nationality if you are unsure.

Your passport will not receive an Israeli stamp if you ask the border officials not to stamp it. If you are unable to obtain an Israeli visa, or have concerns about travelling through Israel, then you must let us know in advance, so that we can arrange an alternative crossing into Jordan for you, either by ferry from Nuweiba to Aqaba, or by air.

HEALTH:

For up to date health information & vaccination requirements for Egypt & Jordan we recommend that you contact your GP or a travel clinic (1st Contact travel clinic gives free advice tel. 0800 0393073).

RESPONSIBLE TOURISM:

We take responsible travel seriously, and as well as taking this into consideration when we design our itineraries, and select the

people and agents we work with, we also donate £2 for every person travelling on of our Egyptian tours. This is split between two projects - the Dar Al Rahman orphanage in Cairo, and a desert clean-up project in Wadi Rayan, near Al Fayoum. You will have the chance to visit the orphanage if you wish during your time in Cairo, and if you would like to support either of these projects while you are in Egypt, you would be very welcome.

Full details of our responsible travel policy are given on our website.

PRE-DEPARTURE INFORMATION:

After booking, we will provide you with detailed information to help you prepare for the tour. This will include helpful advice on money, health, insurance, tipping, climate, clothing etc.

We also provide a Welcome Pack when you arrive in Egypt with more information including a tipping guide, local travel guide and an options information & booking sheet. Further information is also available in the County & Travel guides on our website.

We have launched a community space for use by past, present and future travellers with us. Here you can make contact with fellow travellers in your group before you travel, or share photos and stay in contact with them after you return home. You can also ask questions of our staff and read updates on itineraries and destination news etc. For further details, please check...
