DETAILED ITINERARY

DAY 1 / ARRIVE IN CAIRO

You arrive at Cairo airport where we greet and transfer you to your 5-star hotel. Our Egypt Uncovered rep. welcomes you, helps you settle into the hotel, and outlines the plan for the next few days.

Overnight at a hotel in Cairo.

DAY 2 / CAIRO. PYRAMIDS, SPHINX & MUSEUM TOUR

After breakfast we have a short pre-tour briefing before we take you on a tour of the spectacular pyramids & sphinx. Giza was built around 4600 years ago as a necropolis (cemetery) for the pharaoh Khufu (Cheops). The successor of Sneferu, Khufu was known as a tyrant and in his arrogance decided to have built a tomb that was bigger and better than all others. At 500 feet high and 750 feet wide at its base the Pyramid of Khufu is an awesome man-made structure constructed of giant stone blocks with a hard limestone casing. The casing has, over the years, been stripped away to leave exposed the inner block structure. Together with the smaller pyramids of Khafre (Chephern) and Menkaure (Mycerinus), the majestic sight of these enormous structures rising out of the desert is a breathtaking spectacle.

Here you have the chance to climb inside one of the pyramids (there are a limited number of tickets available in the Great Pyramid, so we cannot guarantee entry), and also to take a camel ride (approx. £2-5 p/p for around 30mins).

Close by, the mysterious Sphinx stands guard, as it has done so for thousands of years. You have another guided tour around the sphinx and some free time to walk around and take photos.

From here we take you to the centre of Cairo to visit the Egyptian Museum, one of the world's most famous museums. The museum houses a vast collection of artefacts from Egypt's past, including the famous King Tutankhamun display.

Finally we head back to the hotel where you will have a free evening

and a chance to try one of the hotel's restaurants or head into town.

Overnight at a hotel in Cairo (B).

DAY 3 / CAIRO, CITY TOUR

Today's tour explores more of Cairo's history and contrasting buildings and culture. Founded in 969 AD by Gohar, a Fatimid army leader, El Kahera (Cairo) soon became the capital of Egypt. Subsequent additions like the El Azhar mosque, the Islamic University, and defensive walls and a citadel, built by Saladin in 1179, have helped Cairo remain Egypt's principal city. The 16-year reign of Ismail (1830-1895) ushered in a new period of expansion and modernisation and areas like Heliopolis, Dokki and Roda were added, while gardens, Opera houses, hotels and wide, tree lined avenues were built. Further post revolutionary, urban expansion has left Cairo as one of the world's largest cities. Today it is a bustling metropolis of over 20 million people, a strange mix of modern and old, a unique blend of diverse cultures and a gateway to Egypt's past.

Your tour includes a visit to Coptic Cairo (with some important ancient churches), the Citadel of Saladin (a collection of mosques and palaces, with a great view over the city), and the Khan al Khalili bazaar (a mazy market that offers a window to the past and a guaranteed souvenir).

Later in the day we transfer back to Cairo airport for a flight to Amman, Jordan. Upon arrival our Jordanian rep will meet you and transfer you directly to your hotel in Amman.

Overnight at a hotel Amman (B).

DAY 4 / AMMAN AND JERASH TOUR

We start this morning with a short city tour in the centre of Amman, visiting the Roman amphitheatre and Odeon, and getting a feel for the geography of the city with its many hills and steep winding roads. In the afternoon we visit Jerash which is probably Jordan's second most visited tourist site. As with Petra, this is for good

reason, as the Roman ruins here are very well preserved, and an excellent example of a Roman provincial city.

We return to Amman late in the afternoon and you have some free time to visit the bazaars, numerous gold shops, and the Roman museum in the city centre.

Overnight at a hotel in Amman (B)

DAY 5 / DESERT CASTLES AND WILDLIFE RESERVE

After breakfast we take you on a tour of the 'Desert Castles' to the east of Amman. Really palaces, fortresses and bath houses rather than castles, many of these numerous sites are now in ruins, but make for a fascinating tour. We start with a stop at Qasr Hallabat, with its elaborate mix of white limestone ruins from the 8th century, and some remaining black basalt stones from an earlier 2nd century Roman fort. There is also an old bathhouse about 3km away we can visit.

Another stop is at the World Heritage Site of Qasayr Amra, another bath house, famous for its detailed and exuberant frescoes covering the whole of the interior.

Our other main historical visit is to Qasr Hraneh, one of Jordan's most impressive ancient buildings, visible for miles around.

Our tour is completed by tours to one or two nature reserves located right out in the middle of the desert (subject to time and whether the reserves are open when you visit). The Azraq Wetlands Reserve is an area of marshland and lakes once home to numerous water buffalo, wild horses, and hundreds of thousands of ducks and water birds which stop off here on their migrations to feed, or over-winter and breed. Over the last few decades extensive draining of the lakes and aquifers has diminished the oasis, and the visitor centre gives a good explanation of the work being done to try and counteract this, and information about the extensive wildlife which still makes the reserve home. A boardwalk provides access through the reeds.

If it is open, we may also stop at the Shaumari Wildlife Reserve, which is successfully re-introducing locally endangered

species, including the Arabian oryx (an elegant white long-horned antelope), ostriches, onagers (an Asian wild ass) and gazelles, which are all protected here from the from hunting and habitat destruction that nearly wiped them out. Enclosures and viewing towers allow potential sightings of all these animals.

Returning to Amman, your evening is free to relax in the hotel, or to head into Downtown to explore the many souks and noisy street-life in and around the Forum and Hussein Mosque.

Overnight at hotel in Amman (B L).

DAY 6 / DESERT HIGHWAY TO AQABA VIA MADABA

We leave Amman today and head south on the Desert Highway, a large trunk road offering the fastest way to get down from Amman to Aqaba. You'll see numerous trucks heading in either direction transporting goods all around the Middle East. Along the way we will make a stop at Madaba - an important Christian town in Jordan. Here we will see some of its famous and priceless Byzantine era mosaics, including one of a 6th century map of Palestine in the Greek Orthodox St. George's church, which was laid out in 560AD on an area of well over 100square metres, using more than 2 million pieces.

We arrive in the resort town of Aqaba by lunchtime and check into our beach resort by the Red Sea. The afternoon is free to relax on the beach, or do a snorkelling boat trip to one of the nearby islands. Scuba-diving options are also available.

Overnight at hotel in Aqaba (B).

DAY 7 / AQABA, WADI RUM JEEP SAFARI. BEDOUIN LUNCH

After some more free time in Aqaba this morning, we make the short drive into the spectacular desert & mountains of Wadi Rum. The desert here, with its towering rust coloured rocky 'jebels' awed TE Lawrence during his visits during the Arab Revolt of 1917-18, and was later made famous in the film Lawrence of Arabia.

After a traditional Bedouin Lunch inside Wadi Rum, we take a jeep

safari this afternoon through the stunning desert scenery to see more of the sheer cliffs and bizarre rock formations

Later in the afternoon as we drive out through the desert to rejoin the Desert Highway, the Jebels get smaller, and the desert more expansive. After a short time on the main road, we start to climb into the hills, and turn off towards Petra. Also made more famous by a film, this time the rather different 'Indiana Jones and the Last Crusade', Petra is, for good reason, Jordan's tourism highlight.

The ancient capital of the Nabataean commercial empire until the Romans finally took over in 106AD, Petra was largely forgotten, except by the local Bedouins, until it was 'discovered' in 1812 by a young Swiss explorer, Johann Ludwig Burckhardt. This was partly due to its remoteness, and its situation on the edge of Wadi Aruba., whose canyon walls and surrounding hills make it almost impossible to approach except through a narrow, winding cleft in the rock, called the Siq. The city itself has very few free-standing buildings, as the Nabateans chose to carve their homes, buildings and tombs into the multi-coloured sandstone cliffs. Nowadays, the Jordanian government and local people are well aware of Petra's interest to tourists, and the tourism infrastructure in the adjoining village of Wadi Musa is booming, though, thankfully, once you enter through the Siq, the site is protected, and all the building feels miles away.

Overnight at hotel in Petra (B,L)

DAY 8 / PETRA

We have a whole day today to tour this fascinating city (4 hour guided tour, then free time to explore yourselves). We start by walking through the Siq, which rises to 200m above us, and narrows to just 2m wide in places. The ancient Nabatean water channel can still be seen on one wall, as well as some remnants of the terracotta pipes that brought water into the city. All of a sudden, a now classic view appears around one corner, and one of Petra's most impressive monuments, the Khazneh (Treasury) comes into view. Our guide will explain how this, and the other buildings here, are mainly elaborate facades carved into the rock from the top down, and also discuss

the spiritual significance of the building style. From the Khazneh, the valley opens out, with tombs carved into the rock on both sides. We'll see the ruined Roman amphitheatre, and colonnaded street, and during your free time you can walk up a steep and narrow winding gorge past beautifully coloured sandstone cliff walls to the huge and imposing 'Monastery'. The biggest of Petra's carved monuments at 50m high and 45m wide, this is truly spectacular, as are the distant views west across Wadi Aruba and the Jordan valley. Another climb can take you to the High Place of Sacrifice, and Lion Fountain.

All in all, this is a full & tiring, but hugely rewarding day touring one of the world's most famous ancient sites. We spend the evening and night relaxing at our hotel.

An option is available to return to the Siq in the evening for the Petra by Candlelight tour through the Siq to the Treasury.

Overnight at hotel in Petra (B L).

DAY 9 / LITTLE PETRA, FREE TIME

This morning we visit Siq al-Berid, often known to tourists as 'Little Petra'. The whole of Little Petra was once a thriving community and almost every nook and cranny provides evidence of Nabatean habitation. When you first enter the Siq you will discover why this was once referred to as the 'Cold Siq'. Almost no sunlight reaches this area and because of this the area stays cold most of the time. The Little Petra site differs from that of the main Petra site due to the density of the rock carved houses and temples and also the rock cut steps which lead off in all directions to a multi-storey alley-way which must have once buzzed with life. Our guide will ensure that you visit the main highlights whilst at Little Petra and you will also have some free time to explore on your own. In the afternoon you can relax in the hotel, explore the village of Wadi Musa, or return to the main Petra site where you will have more free time to continue exploring this amazing site (a 2-day ticket is included for Petra.)

Pyramids & Petra continued...

11 DAYS / SMALL GROUP OR PRIVATE TOUR / CLASSIC JOURNEY /

DAY 10 / DEAD SEA VIA KERAK & MT. NEBO

We leave Petra early this morning and drive north to the Dead Sea up the King's Highway (a slower, but much more interesting and beautiful drive than the busy Desert Highway). Our first stop is at the old Crusader town and castle at Kerak, which lies on the ancient Egypt-Syrian caravan routes. Built in 1132AD by the Crusader King, Baldwin 1 of Jerusalem, the castle fell to Saladin in 1188AD. It is still a hugely impressive building with commanding views over the surrounding hills & plains.

From Kerak, we head further north crossing several deep Wadis, including the majestic Wadi al-Mujib, where the road winds down and down, and then back up the other side of this 1km deep canyon to visit the Mt. Nebo area. This area is used as a memorial to Moses. There are 3 peaks, with spectacular views to the Dead Sea, and on a clear day, all the way to the church spires of Jerusalem.

We finish our journey today with a short drive to the Dead Sea where we can enjoy a swim in this strange place, over 200m below sea level. The intense salinity, around 33%, of the waters here, caused by the intense evaporation rate, leads to a very strange swimming experience. In fact, normal swimming is not really possible, and it is easier (and more photogenic!) just to float, sitting or lying in the water. Be careful not to get any water in your eyes, as it will sting very strongly - you'll also discover various tiny cuts you never thought you had.

You can spend your evening relaxing by the Dead Sea or enjoying some spa treatments in your hotel.

Overnight at resort by the Dead Sea (B).

DAY 11 / DEAD SEA, TOUR ENDS

Your tour ends after breakfast and your time is free until we transfer you to Amman airport for your flight home. Extensions to the tour are available to add extra days by the Dead Sea, day trips to the Baptism Site at Bethany, Ajloun Castle and Umm Qais in Jordan, or to take a tour into Israel to visit Jerusalem and Bethlehem. (B).

If you are joining one of our group tours, or booking a private departure on the normal tour itinerary, then we will confirm your hotels a couple of weeks before departure. If you want to guarantee a stay in a particular hotel, then please request a tailor-made tour. Please see our website for more details of the hotels that may be used on the tour.

Notes:

- 5-star standards in Egypt and Jordan may vary slightly from those in Western countries and they do vary between different towns/cities in each country as well. However, we regularly inspect the hotels we use to ensure their high levels of facilities and service.
- Single, double & twin rooms are available on request. Triple rooms with three separate full size beds are not generally available. Extra beds (normally a mattress or sofa-bed) are available for children under 12 to share a room with their parents in the hotels.
- On Christmas Eve and New Year's Eve, the 5-star hotels in Egypt & Jordan run a very special Gala Dinner. The cost of this is often compulsory, whether you attend or not, and if this is the case it is included in our group tour prices, and will be added to our private & tailor-made tour prices as required.

TRANSPORT:

This tour aims at balancing a comfortable and enjoyable travelling experience with seeing as much of Egypt and Jordan and local life as possible. We use private air-conditioned minibuses and coaches for all the sightseeing tours and transfers. Most vehicles used are fitted with speed limiters and all are inspected & checked daily. In Wadi Rum we use basic 4x4 jeeps which are owned by the local Bedouin. Local regulations do not allow us to send vehicles into Wadi Rum and while suitable for use in the desert, the jeeps used may not reach our normal vehicle safety standards.

11 DAYS / SMALL GROUP OR PRIVATE TOUR / CLASSIC JOURNEY /

TRANSFERS:

The tour includes a 24-hour airport meet & assist service in Cairo airport, your arrival and departure airport transfers and all other transfers.

INTERNATIONAL FLIGHTS:

In order to keep our tours flexible, and to make them accessible to as many people as possible, we do not include your international flights in the set tour itinerary or price.

However, we do hold an ATOL (UK flight sales license) and are happy to book your flights for you. If you let us know your ideal dates and departure airport, then we will be happy to provide you with some flight options that we can arrange for you. You can then choose whether to book the flights through us, or make your own arrangements. Either way, your airport arrival & departure transfers are included.

TOUR LEADERS/GUIDES:

In order to provide the most personal service, and to make sure that you get as much out of our tours as possible, we like to keep our groups small. We therefore set the maximum number at 18 and the minimum at 2 people. You can join our group departures as an individual, couple, group of friends, or family (min age 12).

For this tour we provide a fully trained, local English-speaking Egyptologist to act as your tour guide. He/she will be with you for all of the sightseeing tours in Cairo.

In Jordan, small groups (up to 5 people) will travel with a vehicle and English speaking driver, using specialist local guides at each of the sites. Larger groups will have an escort guide and driver throughout.

Our policy at Egypt Uncovered is to use only local guides and reps in Egypt and Jordan. We feel this gives you the best experience of the country and the sites you are seeing. More details are given on our website.

ENTRANCE FEES:

The tour price includes entrance fees to all the sites mentioned in the itinerary in Egypt and Jordan (including a 2-day ticket into Petra). Entrance tickets to the interior of the pyramids, and the mummy room in the Egyptian museum are not included, as the guides are not allowed in with you, and there are only limited tickets issued for the inside of the Great pyramid (allow approx. £12 for the mummy room, and £3-12 to go inside each of the pyramids).

TIPPING:

Tipping is very much a part of Egyptian and Jordanian culture and customs. To make our prices more transparent and so it is easier for you to budget and less hassle while you travel, we include a 'Tipping Kitty' in your tour price. This provides tips for a wide range of people you'll meet along the tour including hotel porters, drivers, local reps etc..

Your Egyptologist guide and Jordanian guide(s) and/or driver are not included in this kitty and you may tip them at the end of your tour subject to your satisfaction with, and appreciation of the service they have provided.

DATES & PRICES:

We run regular small-group departures on this tour, normally every two weeks, throughout the year. These departure dates and prices are listed on our website and on a separate dates & prices sheet available on request. We can also run the set tour itinerary privately for you on other dates, or customise it to make a tailor-made tour to fit your personal requirements.

For up to date health information & vaccination requirements for Egypt and Jordan we recommend that you contact your GP or a travel clinic (1st Contact travel clinic gives free advice tel. 0800

Many nationalities (including UK, USA, European, Australian, Canadian) can obtain their Egyptian visa on arrival in Cairo airport (cost US\$15 or equivalent).

All African nationals will need to arrange their Egypt visa in advance.

Jordan:

For many nationalities (including UK, USA, European, Australian, Canadian) the group visa we can obtain on arrival in Aqaba for groups of 5 or more people is free. Other nationalities may require a visa prior to arrival and to obtain this in advance please contact your local consulate for details.

We take responsible travel seriously, and as well as taking this into consideration when we design our itineraries, and select the people and agents we work with, we also donate £2 for every person travelling on of our Egyptian tours. This is split between two projects - the Dar Al Rahman orphanage in Cairo, and a desert clean-up project in Wadi Rayan, near Al Fayoum.
