Once we arrive in Jerash, we'll make our way to the Forum, browsing through its Roman colonnaded streets, before visiting the Nymphaeum and the Temple of Artemis.

Afterwards, we'll make our way to the impressive Ajloun Castle, which was built by the Ayyubids in the 12th century and extended by the Mamluks in the 13th. If you're looking to go on a hike, its surrounding forests and hills offer spectacular views.

Later in the day, we'll travel to the Rasoun village to meet a Jordanian couple - our homestay hosts for the night. We'll settle in before we head out in search of the massive Bronze Age Dolmens - which are tombs created with huge stone slabs.

We'll spend the rest of the evening with our Jordanian hosts, enjoying an authentic Arabic meal as we chat deep into the night, learning about their way of life.

We say goodbye to our Jordanian homestay hosts today as we travel to Madaba - the home of the oldest preserved map of the Holy Land as well as the unique Byzantine mosaics.

From Madaba, we'll make our way to Mount Nebo - the burial place of Moses - who once looked over the Promised Land here. After lunch, we'll travel to the Dead Sea, where you can swim and float in its salty waters or you can spend the rest of the day relaxing at the spa resort.

After we pass some salt flats at the southern end of the Dead Sea we head up through the mountains towards Petra, stopping for a short hike in the beautiful scenery and hills of the Dana Biosphere Reserve along the way. This is Jordan's largest nature reserve, and there are great views of the valleys and hills on the various trails around the restored Dana village. Spring is a particularly lovely time to visit with the terrain surprisingly green and full of flowers. We'll stop for lunch in the village and take a walk before continuing to the imposing crusader castle at Shobak, finally arriving at Petra late in the evening.

You have the option for a spectacular and atmospheric introduction to Petra tonight, with the Petra by Night tour. Here you walk through the Siq to the Treasury, the whole way being atmospherically lit up by hundreds of candles.

Today is all about exploring one of the modern 7 Wonders of the World - the red-rose city of Petra. To get here, we'll travel through the Siq, until we reach the Treasury.

We'll learn about Petra history, as we delve deep into discovering how this impressive site was built by the Nabataeans - who carved tombs and caves deep into the pink sandstone cliffs.

You'll have time to explore Petra on your own. You can make your way to the towering Monastery provides spectacular views of the Jordan Valley or hike up to the High Place of Sacrifice.

After spending some time exploring Petra, we'll venture into the Wadi Rum desert, camping underneath the stars with the Bedouins in a comfy camp set against the rocky cliffs.

You can choose to sleep in a traditional goats hair tent, with a proper bed and all bedding provided, or take a sleeping bag and find a secluded location to sleep outside under the stars.

Once we get back to camp, we'll assist a local Bedouin shepherd with some of his daily activities which includes hearing the sheep & goats hair, milking, grinding grains, and roasting coffee before we help make lunch.

After lunch, we'll say goodbye as we travel down the Desert Highway, back to Amman. Tonight, we'll explore the town, visiting a coffee shop or café near our hotel in Downtown Amman to enjoy a shisha, a game of backgammon and to reminisce on our Jordan tour.

Remnants of this ancient period can still be found here in the form of bathhouses, frescoes and wells.

After a busy morning of exploring, we'll head back to the capital at lunchtime to try some falafel and hummus and a popular local restaurant before we head back out into the city on foot, visiting some of Amman's most famous attractions such as the Amphitheatre, the Citadel and the Jordan Folklore Museum.

Tour Notes

1. Accommodation

The hotels used on this tour are rated at the Jordanian 3 and 4-star level. Local star ratings may vary from international standards but we ensure we use some of the best hotels available at the level stated. We have also aimed to use hotels in Amman that have a better location than most, with a range of cafes and restaurants within easy walking distance. Accommodation is based on twin or double en-suite rooms with air conditioning. All couples will have a private double room.

A friendly local homestay is included for one night in Rasoun village. Accommodation is in shared rooms holding up to 4 people. There are a number of homes in the village that will accommodate guests, so depending on our final group size we may split across several houses. We will all eat together in one house with the hosts, who will also provide a tour of the village. All beds and bedding are provided. Bathrooms are separate and shared but quite basic. Overall you can expect a simple but comfortable, and very welcoming experience with good food and interesting insights into local village life in rural Jordan.

In Wadi Rum we use a Bedouin camp located inside the Wadi Rum Protected Area. Accommodation is in permanent traditional goat hair tents with proper beds and all bedding provided. Bathrooms are separate, though some en-suite tents are also available and subject to availability you can upgrade to these locally if you wish. You can also bring a sleeping bag if you wish, and find a sheltered spot on the rocks on the edge of the camp and sleep under the stars.

2. Activity level

This tour includes several walks or short hikes and while you do not need to be super fit by any means, you should bring suitable footwear.

In the Ajloun Forest Reserve we will hike through scrubland and forest for several hours in the afternoon. The guide will vary the route and duration of the walk based on how everyone is feeling and the current weather.

In Dana Nature Reserve we take a walk around the village and depending on the weather may also spend an hour or two walking through the surrounding countryside. Trails are generally always dry and rocky.

In Petra, you will be doing a lot of walking to explore the site. The minimum distance you'll walk, from the entrance to the Siq, through the Siq to the Treasury, through the site to the Theatre and Byzantine church, and then back out again, is around 8km. If you would like to hike up to the Monastery, or High Place of Sacrifice, you should expect to add another 2 or 3km, much of it up or down. You can take everything at your own pace, but do be prepared for a long day. Again comfortable walking shoes and a daypack are required.

3. Group Size/Tour Leaders/Guides

We are committed to being a small group operator, as we feel this gives everyone in the group the best chance to get to know their fellow travellers and to hear and make the most of their guide. There's no point in us providing great guides if you've got to peer over 30-40 shoulders to see them! So, on our small group tours we won't ever put you in a full size coach packed with other people and just one guide. Having a smaller group size also allows us to stay in more interesting accommodation, like the homestay in Rasoun, and to include some activities and experiences that just wouldn't be possible with large numbers.

This tour has a minimum group size of 2, and maximum of 14.

To accompany you on the tour we provide an English speaking local tour leader/driver and specialist guides in Jerash, Amman and Petra. Groups of 5 or more will have both a driver and a professional guide throughout the trip.

At Encounters Travel we only use local Jordanian guides and reps. We feel this gives you the best experience of the country and the sites you are seeing.

4. Entrance Fees & Jordan Pass

The tour price does not include entrance fees to the sites visited on the tour.

We strongly recommend that you purchase a **Jordan Pass** prior to your travel to Jordan. This is a special package that has been designed by the Jordanian Ministry of Tourism and Antiquities for tourists visiting Jordan. As well as including a discounted package of entrance fees covering all the sites in Jordan that you will visit on this tour (plus many others), the Jordan Pass also provides free downloadable digital brochures on each attraction, plus a free tourist visa for entering the country (40JD if obtained on arrival in Jordan).

The cost for the **Jordan Wanderer Pass** suitable for this tour is JD70 (approx. US\$99). Passes are available by completing a simple online form before you travel, taking care to make sure your passport details are entered correctly as this doubles as your visa application. Your Jordan Pass will then be emailed to you as a pdf document, which you should print out and bring with you. You will then need to show this print out at the immigration desk on arrival in Jordan to obtain your free entry visa, and also at each attraction where it will be scanned to confirm your entry. [Obtain your Jordan Pass here](#)

5. Health and Vaccinations

You should ensure you are fully insured for medical emergencies including emergency evacuation and repatriation.

Recommended vaccinations and other health protection measures vary according to the country you are visiting and where you are travelling from. We recommend you contact your GP/medical practitioner or a travel clinic for current information on vaccinations needed for your destination. You should ensure that you are up to date with vaccines and boosters recommended for your normal life at home, including for example, vaccines required for occupational risk of exposure, lifestyle risks and underlying medical conditions.

In addition, additional courses or boosters normally recommended for the countries in this region are:

Egypt: Tetanus, Typhoid, Hepatitis A

Jordan: Tetanus, Hepatitis A

Israel: Hepatitis A, Poliomyelitis

Lebanon: Diphtheria, Hepatitis A

Malaria is not generally present unless it has been contracted abroad; you do not need to take malaria prophylactics.

More information is available here: [Egypt](#), [Jordan](#), [Israel](#), [Lebanon](#)

Note: We are aware of some places in Egypt using 'black henna' instead of pure brown henna. Black henna contains a chemical dye PPD (paraphenylenediamine) which can result in severe allergic reactions and resultant scarring. To be safe we recommend avoiding any henna tattoos while in Egypt unless you are certain they are using pure brown henna.

6. Passports and Visas - Jordan

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

To promote tourism to the country, the Jordanian government has designed the **Jordan Pass**. This provides most nationalities with a free single entry Jordan visa (for stays of 3 nights or more), a discounted package of entrance fees, and free digital brochures for the various sites in Jordan. Please check the Jordan Pass tour note for more information.

Double or multi entry visas for Jordan are no longer available and you will need to arrange two visas if you are doing a combination tour (eg. with Egypt and/or Israel) that visits Jordan more than once. Exceptions may occur if you are crossing to and from Israel via the King Hussein Bridge - please contact us for details.

If you wish to arrange your visa separately in advance, or if your stay will be shorter than four days/3 nights, then a visa fee of 40JD (approx. USD 57) will be due.

Other nationalities may require a visa prior to arrival and to obtain this in advance, please contact your local Jordanian embassy or consulate or a visa agency for details. In addition, if you plan to enter Jordan via the southern Wadi Araba crossing (Eilat-Aqaba) or the Allenby Bridge/King Hussein border with Israel in the north, you will need to obtain your Jordan visa in advance as these are not available on arrival at the border.

7. Time

The time in Egypt, Jordan and Israel is GMT plus 2 hours. Daylight saving adjustments have historically been applied in some years but not others. At present it appears that there will be no daylight saving changes in Egypt 2016 and beyond, though this may change at short notice (with a resulting impact on flight times and schedules). In Jordan and Israel, daylight saving of one hour is generally applied between the end of March and the end of October, making it GMT plus 3 hours. Exact dates vary from year to year and sometimes the changes may be scrapped altogether.

8. Voltage

Sockets are two round pronged and 220 volts (Type C). Universal adaptors are available in most airport shops if you don't have one already. Standard European adaptors will work fine, though sometimes they may feel a little loose in the sockets. All hotel rooms have electrical sockets where you can re-charge cameras, phones etc. Hair dryers are normally available on request from the hotel reception if not in your room already.

If you have US appliances (110 volts) you will need a voltage converter as well as a plug adapter.

9. Money - Jordan

The local currency in Jordan is the Jordanian Dinar (JD). You do not need to arrange to bring any Jordanian Dinar with you to Jordan as exchange facilities are available in the international airports and in most hotels, banks and bureau de changes in major towns. You should try to obtain and keep hold of small denomination notes or coins on you during the tour as these are useful for toilets, tips and small purchases. ATMs are readily available in major towns and many local shops will accept VISA/Mastercard or Amex, but may charge fees of up to 10% - check before you pay. Travellers cheques are not recommended as they can not be changed in many places now, and can incur high fees.

While in Jordan you will need sufficient funds to cover meals not included in the itinerary, drinks, snacks, souvenirs and personal expenses such as laundry. These should generally all be paid for in Jordanian Dinar, though tips for guides and drivers may be paid in hard currency (GBP, USD, EUR).

It is difficult to recommend a level of personal spending money which will suit everyone as this can differ greatly, but as a guideline, we would suggest allowing USD 15-25 per person per day as a minimum. Allow more if you plan on doing lots of shopping, or buying many alcoholic drinks.

10. Dates & Prices

We run regular small-group departures on this tour throughout the year. All departures are guaranteed to run with a minimum of 2 travellers and maximum of 14. Departure dates and prices are listed on our website (please check for up-to-date prices and special offers).

The tour can also be run privately on any other dates for a small supplement, with the itinerary then being customisable to fit your personal requirements and budget.

11. Booking & Payment

If you would like to book a place on this tour, please complete the online reservation form on our website (via the Dates & Prices tab on the tour page). You can pay your deposit or full balance online, or just hold a reservation if you prefer. We will then contact you with more details about how to complete your booking. Payments may be made by debit or credit card (subject to a card processing fee), or by making a bank transfer or posting us a cheque/bank draft. Full details will be provided in your booking confirmation email. Please [contact us](#) if you would like any more information or have any questions before making a booking.

12. Travel Insurance

Travel insurance is compulsory on all of our tours and needs to cover personal accident & liability, medical expenses and repatriation, travel delay & abandonment. We also strongly recommend that you take out cover against cancellation and lost/stolen baggage. Personal medical insurance does not normally provide sufficient cover and is generally not suitable for travel on our tours. You will not be able to join your tour if you have not provided us with details of your insurance or if you arrive without cover in place (no refunds will be due in this event). [More information...](#)

You may arrange your own insurance, or you can take advantage of a comprehensive policy that we can arrange for you through Endsleigh Insurance which has been designed to be suitable for our tours. The policy is available to travellers of all nationalities and you do not need to live in the UK to take out the policy. For full details of cover provided, prices and to apply for one of our policies, please complete [travel insurance application form](#).

Note: Any country that borders the Mediterranean is considered as 'Europe' for the purposes of travel insurance

(including Turkey, Israel, Egypt and Morocco). If you are doing a tour that visits one country in 'Europe' and one that is 'Worldwide' (for example, an Egypt and Jordan tour), then you need a 'Worldwide' policy. When completing the form you should enter your travel dates including any extra days involved in overnight flights or connecting travel between your home and the tour. Our policies are not able to cover any extra time or activities other than your tour and options booked with us and your travel to & from home.

If you plan to arrange a hot air balloon flight locally, or do some scuba diving during your tour, you should check the small print in your policy to make sure these are covered (these are covered in our policy). Please also check the maximum altitude that you will be reaching and that full cover including emergency evacuation is provided up to this altitude.

IMPORTANT: We must have your travel insurance details (policy number and type of insurance) before you depart or you may not be allowed to join the tour. If you haven't told us already, please let us know the details when you can. You should take a paper copy of your insurance policy with you as you may be asked to show this at the start of the tour.

13. Financial Security

We are a UK registered company and an ABTA Member (Y4447) and you can be confident when booking with us that your money is safe and protected. Financial failure insurance is provided through Affirma to protect all customers for the land portion of their tour.

Please see [our website](#) or [booking conditions](#) for more information.

14. Responsible Tourism

It is impossible not to have an impact on the local environment, cultures and eco-systems when you travel. However, it is very possible to try and ensure that these impacts are as limited, or positive as possible. We are committed to ensuring that we try to leave our host countries in a better state than we found them and encourage and assist our travellers to help us with this.

The following are a few simple tips that require very little effort on your part but which will help ensure that any effect you have on the locations you visit is positive rather than negative.

- Don't prejudge: Things in different countries will almost certainly be different. That doesn't make them worse or inferior, just different.
- Communicate: Don't expect locals to speak your language. Take the trouble to learn a few words or phrases of the local language. Don't worry about sounding silly. Most locals are patient and accommodating and appreciate you making the effort to communicate in their language.
- Conserve energy: Be careful not to waste valuable resources. Use local resources sparingly. Switch off lights, air-conditioning and fans when you leave the hotel room and don't waste water. Remove superfluous packaging. Many countries have far less efficient waste disposal systems than ours. Remove packaging from newly acquired items before leaving home.
- Don't litter: No matter how untidy or dirty the country you're travelling in may look to you, avoid littering, as there is no need to add to the environment's stress. Many of the countries we visit have a tough challenge dealing with rubbish and waste. Please consider taking home as much plastic waste as you can (e.g. water bottles).
- Choose environmentally friendly products: By using environmentally friendly (bio degradable) sun creams, shampoos and detergents you can help reduce pollution.
- Respect local customs and traditions: As you are a guest in these countries, you should also comply with the local customs. If you are friendly and well mannered, the locals will reciprocate and it will only enhance your experience. It's important to follow dress and behaviour guidelines especially when visiting religious or sacred sites (your tour leader will advise you how best to do this).

- If a client commits an illegal act the client may be excluded from the tour and Egypt Uncovered shall cease to have responsibility to/for them. No refund will be given for any unused services.

All porters are employed and equipped following guidelines set by the International Porter Protection Group (IPPG).

16. Before you travel

It is important when considering and preparing to travel anywhere in the world that you have a good understanding of the country you are visiting, its laws and customs, and the possible risks and situations that may occur. This includes specific risks related to your itinerary (eg. does it involve water & can you swim, are you fit enough for the activities included), as well as more general risks such as terrorism and natural disasters.

General details and links to more information about health risks, visa requirements, money, and travel insurance are given in these tour notes. We recommend that you re-read all these before your departure as well as the small print of your travel insurance policy so you know exactly what is covered and what is not.

You should take copies of your important travel documents with you and ideally also store them online securely as a backup. Make sure that you have given us your emergency contact details and told that person where and when you are travelling. Ensure you take enough money with you and that you have access to emergency funds.

Finally, you should read through and stay updated with the current [official government travel advice](#) for your destination. We are registered partners with the UK Foreign Office's ['Travel Aware' campaign](#) which provides further useful and invaluable information.

17. International Flights

Image not found or type unknown

We want to give you as much flexibility as possible when it comes to booking your holiday with us. So, to take account of people with varying travel plans, we don't include your international flights in the main tour price. We are however very provide suggestions for flights to go with your tour. Please contact us with your preferred dates and departure airport and we'll give you a selection of airlines, times and fares to choose from.

Your airport arrival & departure transfers are included on the first and last days of the tour. Nearly all our Jordan tours start and finish in Amman airport (AMM). The airport is around 40 to 60 minutes drive to central Amman, depending on the time of day and traffic levels.

18. Transport

Our trips feature a mix of different transport options. We want you to feel like you're really experiencing the country you're travelling through, but at the same time we want you to finish journeys refreshed enough to enjoy the next stage of the tour. The small distances involved in Jordan mean that we use private vehicles throughout this tour. These will be saloon cars, SUVs, minivans, minibuses or small coaches, depending on the number of travellers in

the group. All the vehicles we use are air-conditioned and have sufficient space for you to stretch out and accommodate your luggage. All are inspected and checked daily.

The jeeps used in Wadi Rum are provided by the local Bedouins we work with, and while suitable for your desert safari, they may fall below the normal safety and quality standards for vehicles we use during the rest of our tours.

19. Transfers

Your airport transfers are only included on the first and last day of the set tour itinerary, plus on any additional days if you book your hotel room with us. We will provide instructions for where to meet our local representative in the airport after you've arrived, and they will then transfer you to your hotel. If you make your own arrangements for additional accommodation at either the beginning or the end of the tour then you will need to arrange your own airport transfers on these days.

20. Tipping

Tipping for services provided is part of the local culture in Jordan, is often expected, and will be very gratefully received. While the amount you tip is subject to your satisfaction with the services provided and your personal budget, we are often asked for help and guidelines and can therefore suggest that you allow approximately:

- Tour guides: US\$8-10 per person per day
- Drivers: US\$3-5 per person per day
- Restaurants: 10% or leave the change
- Petra horse boys: US\$2-5 (we recommend against riding the horses for animal welfare and safety concerns, but the boys may still expect a tip)

21. What to take

Luggage: Suitcases, rucksacks or fabric holdalls are all fine to bring with you to Jordan. You should also bring a small daypack/bag to take out during the day. Your main luggage will normally be left in the hotel during your sightseeing trips – you will not need to carry it far, and there are nearly always hotel porters to assist.

Luggage limits: There is no luggage limit for this tour. However, most airlines restrict you to between 20kg and

25kg for your hold luggage and between 5kg and 10kg for hand luggage. Please check with your airline before travelling to the airport.

Clothing: The climate in Jordan varies widely from hot days in the summer to cool and sometimes wet days in the winter months. At night, especially in the deserts, the temperatures can drop quite dramatically. So you must pack for cool conditions. Formal dress (eg. suits & ties) is not required. Modesty rates highly in Jordan, especially for women, so to respect the local culture & people, please ensure all clothes are loose fitting and not revealing. Shorts (not hot-pants) are OK in tourist sites, as are T-shirts, but these should not show too much bare flesh (we suggest that your shoulders should remain covered). When visiting any mosques, legs and arms should be covered.

Other items: If your tour includes an overnight Bedouin camp then bedding is provided but we recommend bringing a light sleeping sheet or sleeping bag liner for comfort all year round (even with the best efforts, sand does find its way pretty much everywhere). In the winter months, or if you think you would like to sleep under the stars instead of in your tent, then we recommend you bring a sleeping bag with you as it can get very cold at night. We also recommend you bring a sun hat, sunscreen, sunglasses, a basic first aid kit, toiletries, money belt, small torch, camera & charger.
