Those who wish to rest can do so in their rooms or the hotel's restaurant. You can also walk around the area and check out the nearby shops and cafés before the city tour tomorrow. If you have any questions or need help settling in, our staff will be on hand.

Day 2: The Harmony Trail at As-Salt and the Baptism Site at Bethany

The tour travels to the hilltop town of As-Salt in the morning, which is a 40-minute drive from the city of Amman. As-Salt was a former trading link between the Jordan Valley and the Eastern Desert as well as the capital of Amman.

Your guide will point out the striking Islamic architecture made out of yellow limestone and you will walk the winding narrow streets, crammed with shops and stalls. This town still provides an example of the religious and cultural friendship between the local Muslim and Christian population. You will then meander along the self-designed 'Harmony Trail' to understand more about the history of the town and life of its residents today. Lunch will be enjoyed with a local family, allowing you to taste some traditional delicacies.

Lunch will be followed by a stroll out of the hills to the Baptism Site at Bethany. This site was recently excavated and is believed to be the biblical 'Bethany-beyond-the-Jordan' - where John baptised Jesus Christ. You will see a collection of churches, caves and pools from the Roman and Byzantine periods. Your guide will tell you how both Pope John Paul II and Pope Benedict XVI visited this area. An electric minibus will transport you from the visitors centre to the three sites of Mar Elias, the Baptism Pools and John the Baptist's Church.

The day will conclude back at your hotel in Amman where you can take it easy for the evening.

OVERNIGHT: Hotel in Amman

MEALS: Breakfast

EXTRAS: None

Day 3: Exploring Amman and Jerash

Today you will get to see more of Amman and learn about its interesting history. Your guide will go into detail about how many archeological discoveries have uncovered remains from the Neolithic period as well as the Hellenistic and late Roman to Arab Islamic Ages.

The walking tour will head off to the Citadel, which was the home of the ancient Hercules Temple, the Byzantine Church, The Umayyad Palace and a 6000-seater Roman theatre, built during the Roman Period. This theatre is still used as a space to showcase cultural events.

Leaving Amman behind, the tour will venture on to Jerash - one of the world's most well preserved Roman architecture sites outside of Italy. This site was hidden under layers of sand for centuries and was only discovered 70 years ago. Jerash is an important example of Roman urbanism with its towering temples, public squares and

plazas, colonnaded streets and imposing theaters.

OVERNIGHT: Amman hotel

MEALS: Breakfast

EXTRAS: None

Day 4: Driving along the King's Highway to Petra

You will vacate your hotel in Amman and take to the King's Highway for a picturesque drive to Petra. This leisurely drive will allow you to view the beautiful scenery, the deep wadis, olive groves, farmlands and rural villages.

Before arriving in Petra, the tour will get off at Madaba where you can visit the Greek Orthodox Church of St. George, famous for its 6th century-old Byzantine mosaic map of the Holy Land and other biblical sites. Your guide will escort you to Mount Nebo - the known burial place of Moses with some spectacular views of the Holy Land.

The tour will then continue south over more deep wadis and canyons and reach the Kerak Castle - one of many Crusader fortresses scattered across Jordan in the 12th century. The Crusaders called the castle 'Crac des Moabites' or 'Karak' in Moab. This castle is perfect for taking in the enchanting vista of the hills and plains.

After arriving in Petra, you will have some time to unwind in the evening. There is also an option to see the city with the Petra by Candlelight tour through the Siq to the Treasury.

OVERNIGHT: Petra Hotel

MEALS: Breakfast

EXTRAS: Petra by night

Day 5: Exploring Petra, Wadi Rum Bedouin Camp

This day will be spent adventuring around the renowned Nabatean site of Petra. This site was the capital of the ancient Nabatean commercial empire until the Romans took over in 106AD.

Resting on the edge of Wadi Aruba, the best way to get into the site is through the Siq - a constricted curving gorge that cuts through canyon walls and hills. In Petra you will soon see that there are not many freestanding buildings as the Nabateans preferred to construct their homes into the pink sandstone cliffs.

Your guide will show you through the city and you can enjoy some free time to walk around by yourself. The guided tour begins in the Siq and continues to Khazneh - one of the most elaborate temples in Petra. Your guide will describe to you how the houses were carved into the cliffs and the spiritual importance of the site.

The tour will also walk to the ancient ruined Roman Amphitheatre and the colonnaded street and in your free time you can make your way up the gorge to the Monastery - the largest of Petra's carved monuments. This route can take some time and be quite tiring, but the views over the Wadi Aruba and Jordan Valley are worth it. If you keep on going, you can reach the High Place of Sacrifice and the Lion Fountain.

OVERNIGHT: Bedouin camp in Wadi Rum

MEALS: Breakfast, Dinner

EXTRAS: None

Day 6: Wadi Rum jeep safari, Dead Sea swim

The tour will drive straight into the desert landscape of Wadi Rum. You should look out for the copper-coloured rocky 'jebels' that inspired the writer TE Lawrence during the Arab Revolt and appeared in the movie Lawrence of Arabia. Travelling by jeep safari, the tour will pass by sharp cliffs and notable rock formations.

Continuing north, the tour will go towards the Dead Sea - one of the world's most remarkable destinations. The Dead Sea is the lowest point on earth at 400 metres below sea level and is also a dramatic sight. A number of rivers including the River Jordan flow into this sea. As these rivers are landlocked, they then evaporate and create a dense mixture of salt and minerals - supplying high quality products to a variety of industries.

Mountains surround the Dead Sea with the hills of Jerusalem to the west. This region is now quiet and sparsely populated, but was believed to have been home to the five biblical cities of Sodom, Gomorrah, Adman, Zebouin and Zoar (Bela).

You will get an opportunity to paddle in these salty and salubrious waters. As a result of the salt, normal swimming is not possible so it is better to float or sit in the water. Avoid getting any water in your eyes, as it will sting.

The day will finish back at your hotel in Amman.

OVERNIGHT: Amman Hotel

MEALS: Breakfast

EXTRAS: Petra camel ride

Day 7: Desert Castles and nature reserves

When breakfast is over, the tour will leave Amman again to seek out the assortment of Jordan's Desert Castles - remnants of early Islamic art and architecture. These 'castles' were built on the old trade routes during the Umayyad era and resemble forts, bathhouses and palaces rather than castles.

Your guide will show you the remaining mosaics, frescos, carvings and illustrations that were molded by Persian and Graeco-Roman traditions - offering insight into life during the 8th century. The tour will venture around the castles of Qasr al-Kharrana, Qal'at al-Azraq and Qseirr Amra.

The next stops include the nature reserves run by the Jordanian Royal Society for the Conservation of Nature (RSCN). The first reserve, the Aqraq Wetland Reserve is an idyllic sanctuary in the eastern desert, set between a limestone desert in the west and a basalt desert in the east. This oasis is filled with verdant marshland and sparkling pools and streams that attract a wealth of migratory birds on the Africa-Eurasian flyway.

The second reserve is the Shaumari Wildlife Reserve, which was originally created as a breeding and reintroduction centre for globally threatened and locally extinct wildlife, particularly the Arabia oryx. Over the years, a range of rare animals now reside in the reserve, including ostriches struthio, goitered gazelles and Persian onagers. Red foxes, wild cats, striped hyenas, caracals and wolves also roam the area. Bird lovers should also look out for imperial eagles, pallid harriers and Egyptian vultures.

The visitor's centre on site is a good starting point and guided safaris also take place in the reserves. You can arrange a safari with your tour if there is time and availability before the tour returns to Amman.

You can enjoy your last evening in Downtown Amman, feasting on Jordanian dishes. We recommend tasting the national dish of Jordan, Mansaf (lamb cooked in a sauce of fermented yogurt) or tucking into falafel and hummus along with a sweet dessert.

OVERNIGHT: Amman hotel

MEALS: Breakfast

EXTRAS: Petra camel ride

Day 8: Free time in Amman, departure airport transfer

Your last day in Amman is free for doing any last minute shopping or visiting some more sights. A transfer will then collect you and drive you to the airport for your departing flight back home.

Alternatively, you can go on an optional day trip with choices like an excursion to Aljoun Castle, the Desert Castles and the Baptism Site at Bethany or a tour into Israel to see Bethlehem or Jerusalem.

It is also possible to extend your tour and get a transfer to Tel Aviv by flight or overland to connect with the Biblical Israel tour, starting on Sunday. You can also extend your stay at a resort by the Red Sea or Aqaba.

Note: Options and extensions are subject to flight departure times and may require extra days adding to your tour.

Hotel Gala Dinners

Most of Jordan's higher level hotels arrange a very special gala dinner with entertainment in the evening on Christmas Eve and New Year's Eve. Payment for these is often optional on Christmas Eve (24 Dec) but normally compulsory for all guests of the hotel on New Year's Eve (31 Dec), whether you attend or not. Prices can range from around US\$50 to over US\$150 per person. Final decisions on prices and whether dinners are compulsory are made relatively close to the time. We aim to always select hotels that make their Gala Dinners optional, though this is not always possible. Gala dinner prices are therefore not included in our prices above, but will be added to your booking if they become required. Please budget accordingly. More information is available on request.

Options

Our tours are designed to include all that you need to enjoy a really special time in the destination you're visiting.

However, we do also offer some extra options to complement the tour and add some additional sightseeing or activities, or some extra time at either end of the tour.

All accommodation based options (e.g. Single supplements, extra nights, cruise upgrades) should be booked and paid for in advance so that we can make the appropriate arrangements.

Other options may either be booked and paid for in advance or while you are on the tour, though we recommend booking in advance to ensure there are no issues with availability.

Many options are priced the same throughout the year, but some may incur single or high season supplements - full details are given on the tour reservation form or on request.

Single Room Supplement (JOTMJU)

Min numbers: 1 person

Price: \$520.00

This option books a single room in all the accommodation throughout the tour for any single travellers in your party. It is not a solo traveller supplement (if there is only one person travelling in total, please contact us for a customised quote for your tour).

Note: The price shown is a low season price. Slightly higher prices may apply during high and peak seasons - the exact price for your dates will be shown on the online booking form and is always available on request.

Amman – evening food tasting tour

Min numbers: 1 person

Price: \$70.00

This evening tour of Amman provides a great taste of traditional Jordanian food. We take a walk down Rainbow Street and through Downtown Amman, checking out the various local restaurants and street food available. Your guide will give you plenty of explanations of what is on offer, and what are the local favourites.

During the tour we'll try several different dishes, starting with a snack of either Manakish (with its various toppings of egg, white cheese or za'atar) or a classic falafel sandwich. Then in Downtown Amman we'll try a main meal, perhaps the Jordanian national dish of Mansaf, slow cooked lamb with rice and yoghurt sauce. Finally we'll try one of the cities famous desserts like Knafeh from one the popular local sweet shops. All 3 dishes are included in the price of the tour, plus transfers to and from your hotel, but you'll need to pay for your own drinks.

A supplement will apply if there is only one person on the tour. The tour can also be booked locally, subject to availability of guides & transport.

Private guide supplement (6 days) - OPJOG6

Min numbers: 1 person

Price: \$800.00

The standard arrangements for this tour are for an English speaking escort driver to accompany you throughout your time with us in Jordan. They will be able to talk to you about Jordan, give you information about modern life in the country, advise you on food & drink and discuss timings, adjustments to your itinerary and places to stop en-route. They are not however professional guides and while they will be able to provide some basic information, they will not be able to accompany you inside many of the sites or give detailed historical facts or background.

We do include a professional guide in Jerash and in Petra on this tour. However, if you would like to be accompanied by a professional guide for the full duration of the tour then please add this option onto your booking.

Prices shown cover the guide joining you for the whole tour apart from your arrival and departure days, and also include the guide's accommodation and meals. The price shown is a total amount, and will only be added to your booking once, regardless of the number of travellers in your party.

Tour Notes

1. Accommodation

We use good quality hotels at the local 5-star rating on this tour, and aim to use more boutique style hotels with some character, rather than more generic international chain hotels. These hotels can generally be considered to be a good 4-star international level. A night is also spent in a comfortable Bedouin camp inside the Wadi Rum desert reserve. Accommodation here is in en-suite tents with all bedding and facilities provided.

However, as this is a private tour, hotel levels, styles and options can always be adjusted to suit your preferences and budget. Please visit the accommodation tab of this tour for examples of the hotels normally used on the tour. If you have any specific accommodation requests please let us know and we'll be happy to provide you with a customised quotation.

2. Group Size / Tour Leaders / Guides

As this is a private tour, we can run the itinerary for however many people you happen to be travelling with, starting from 1 upwards. The prices given for this tour are based on a minimum of 2 passengers travelling, so if you have a different number of passengers in your group please contact us for a customised quotation.

In Jordan our standard tour prices are based on an English speaking escort driver running the tour for you, plus specialist local guides in Petra and Jerash. A professional escort guide can also be arranged for the full time in Jordan for an additional supplement. We also use local Bedouin staff from your desert camp for your time there.

At Encounters Travel we aim to only use local guides and reps. as we feel this gives you the best experience of the country and the sites you are seeing.

3. Entrance Fees & Jordan Pass

The tour price does not include entrance fees to the sites visited on the tour. Instead we recommend that you purchase a **Jordan Pass** prior to your travel to Jordan. This is a special package that has been designed by the Jordanian Ministry of Tourism and Antiquities for tourists visiting Jordan. As well as including a discounted package of entrance fees covering all the sites in Jordan that you will visit on this tour (plus many others), the Jordan Pass also provides free downloadable digital brochures on each attraction, plus a free tourist visa for entering the country (40JD if obtained on arrival in Jordan).

The cost for the **Jordan Wanderer Pass** suitable for this tour is JD70 (approx. US\$99). Passes are available by completing a simple online form before you travel, taking care to make sure your passport details are entered correctly as this doubles as your visa application. Your Jordan Pass will then be emailed to you as a pdf document, which you should print out and bring with you. You will then need to show this print out at the immigration desk on arrival in Jordan to obtain your free entry visa, and also at each attraction where it will be scanned to confirm your entry. [Obtain your Jordan Pass here](#)

4. Passports and Visas - Jordan

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

To promote tourism to the country, the Jordanian government has designed the **Jordan Pass**. This provides most

nationalities with a free single entry Jordan visa (for stays of 3 nights or more), a discounted package of entrance fees, and free digital brochures for the various sites in Jordan. Please check the Jordan Pass tour note for more information.

Double or multi entry visas for Jordan are no longer available and you will need to arrange two visas if you are doing a combination tour (eg. with Egypt and/or Israel) that visits Jordan more than once. Exceptions may occur if you are crossing to and from Israel via the King Hussein Bridge - please contact us for details.

If you wish to arrange your visa separately in advance, or if your stay will be shorter than four days/3 nights, then a visa fee of 40JD (approx. USD 57) will be due.

Other nationalities may require a visa prior to arrival and to obtain this in advance, please contact your local Jordanian embassy or consulate or a visa agency for details. In addition, if you plan to enter Jordan via the southern Wadi Araba crossing (Eilat-Aqaba) or the Allenby Bridge/King Hussein border with Israel in the north, you will need to obtain your Jordan visa in advance as these are not available on arrival at the border.

5. Money - Jordan

The local currency in Jordan is the Jordanian Dinar (JD). You do not need to arrange to bring any Jordanian Dinar with you to Jordan as exchange facilities are available in the international airports and in most hotels, banks and bureau de changes in major towns. You should try to obtain and keep hold of small denomination notes or coins on you during the tour as these are useful for toilets, tips and small purchases. ATMs are readily available in major towns and many local shops will accept VISA/Mastercard or Amex, but may charge fees of up to 10% - check before you pay. Travellers cheques are not recommended as they can not be changed in many places now, and can incur high fees.

While in Jordan you will need sufficient funds to cover meals not included in the itinerary, drinks, snacks, souvenirs and personal expenses such as laundry. These should generally all be paid for in Jordanian Dinar, though tips for guides and drivers may be paid in hard currency (GBP, USD, EUR).

It is difficult to recommend a level of personal spending money which will suit everyone as this can differ greatly, but as a guideline, we would suggest allowing USD 15-25 per person per day as a minimum. Allow more if you plan on doing lots of shopping, or buying many alcoholic drinks.

6. Time

The time in Egypt, Jordan and Israel is GMT plus 2 hours. Daylight saving adjustments have historically been applied in some years but not others. At present it appears that there will be no daylight saving changes in Egypt 2016 and beyond, though this may change at short notice (with a resulting impact on flight times and schedules). In Jordan and Israel, daylight saving of one hour is generally applied between the end of March and the end of October, making it GMT plus 3 hours. Exact dates vary from year to year and sometimes the changes may be scrapped altogether.

7. Dates & Prices

This tour is designed as a sample tailor-made tour itinerary. As such we do not offer set group departure dates that you can join. Rather, the tour is available for you to do privately starting on any date of the year. Guideline seasonal prices are given below, based on 2 people travelling. If you would like to adjust the tour itinerary, or there will be more or less people travelling, please contact us and we will customise a price for you.

8. Health and Vaccinations

You should ensure you are fully insured for medical emergencies including emergency evacuation and repatriation.

Recommended vaccinations and other health protection measures vary according to the country you are visiting and where you are travelling from. We recommend you contact your GP/medical practitioner or a travel clinic for current information on vaccinations needed for your destination. You should ensure that you are up to date with vaccines and boosters recommended for your normal life at home, including for example, vaccines required for occupational risk of exposure, lifestyle risks and underlying medical conditions.

In addition, additional courses or boosters normally recommended for the countries in this region are:

Egypt: Tetanus, Typhoid, Hepatitis A

Jordan: Tetanus, Hepatitis A

Israel: Hepatitis A, Poliomyelitis

Lebanon: Diphtheria, Hepatitis A

Malaria is not generally present unless it has been contracted abroad; you do not need to take malaria prophylactics.

More information is available here: [Egypt](#), [Jordan](#), [Israel](#), [Lebanon](#)

Note: We are aware of some places in Egypt using 'black henna' instead of pure brown henna. Black henna contains a chemical dye PPD (paraphenylenediamine) which can result in severe allergic reactions and resultant scarring. To be safe we recommend avoiding any henna tattoos while in Egypt unless you are certain they are using pure brown henna.

9. Booking & Payment

If you would like to book a place on this tour, please complete the online reservation form on our website (via the Dates & Prices tab on the tour page). You can pay your deposit or full balance online, or just hold a reservation if you prefer. We will then contact you with more details about how to complete your booking. Payments may be made by debit or credit card (subject to a card processing fee), or by making a bank transfer or posting us a cheque/bank draft. Full details will be provided in your booking confirmation email. Please [contact us](#) if you would like any more information or have any questions before making a booking.

10. Voltage

Sockets are two round pronged and 220 volts (Type C). Universal adaptors are available in most airport shops if you don't have one already. Standard European adaptors will work fine, though sometimes they may feel a little loose in the sockets. All hotel rooms have electrical sockets where you can re-charge cameras, phones etc. Hair dryers are normally available on request from the hotel reception if not in your room already.

If you have US appliances (110 volts) you will need a voltage converter as well as a plug adapter.

11. Travel Insurance

Travel insurance is compulsory on all of our tours and needs to cover personal accident & liability, medical expenses and repatriation, travel delay & abandonment. We also strongly recommend that you take out cover against cancellation and lost/stolen baggage. Personal medical insurance does not normally provide sufficient cover and is generally not suitable for travel on our tours. You will not be able to join your tour if you have not provided us with details of your insurance or if you arrive without cover in place (no refunds will be due in this event). [More information...](#)

You may arrange your own insurance, or you can take advantage of a comprehensive policy that we can arrange for you through Endsleigh Insurance which has been designed to be suitable for our tours. The policy is available to travellers of all nationalities and you do not need to live in the UK to take out the policy. For full details of cover provided, prices and to apply for one of our policies, please complete [travel insurance application form](#).

Note: Any country that borders the Mediterranean is considered as 'Europe' for the purposes of travel insurance (including Turkey, Israel, Egypt and Morocco). If you are doing a tour that visits one country in 'Europe' and one that is 'Worldwide' (for example, an Egypt and Jordan tour), then you need a 'Worldwide' policy. When completing the form you should enter your travel dates including any extra days involved in overnight flights or connecting travel between your home and the tour. Our policies are not able to cover any extra time or activities other than your tour and options booked with us and your travel to & from home.

If you plan to arrange a hot air balloon flight locally, or do some scuba diving during your tour, you should check the small print in your policy to make sure these are covered (these are covered in our policy). Please also check the maximum altitude that you will be reaching and that full cover including emergency evacuation is provided up to this altitude.

IMPORTANT: We must have your travel insurance details (policy number and type of insurance) before you depart or you may not be allowed to join the tour. If you haven't told us already, please let us know the details when you can. You should take a paper copy of your insurance policy with you as you may be asked to show this at the start of the tour.

12. Financial Security

We are a UK registered company and an ABTA Member (Y4447) and you can be confident when booking with us that your money is safe and protected. Financial failure insurance is provided through Affirma to protect all customers for the land portion of their tour.

Please see [our website](#) or [booking conditions](#) for more information.

13. Responsible Tourism

It is impossible not to have an impact on the local environment, cultures and eco-systems when you travel. However, it is very possible to try and ensure that these impacts are as limited, or positive as possible. We are committed to ensuring that we try to leave our host countries in a better state than we found them and encourage and assist our travellers to help us with this.

The following are a few simple tips that require very little effort on your part but which will help ensure that any effect you have on the locations you visit is positive rather than negative.

- Don't prejudge: Things in different countries will almost certainly be different. That doesn't make them worse or inferior, just different.
- Communicate: Don't expect locals to speak your language. Take the trouble to learn a few words or phrases of the local language. Don't worry about sounding silly. Most locals are patient and accommodating and appreciate you making the effort to communicate in their language.
- Conserve energy: Be careful not to waste valuable resources. Use local resources sparingly. Switch off lights,

air-conditioning and fans when you leave the hotel room and don't waste water. Remove superfluous packaging. Many countries have far less efficient waste disposal systems than ours. Remove packaging from newly acquired items before leaving home.

- Don't litter: No matter how untidy or dirty the country you're travelling in may look to you, avoid littering, as there is no need to add to the environment's stress. Many of the countries we visit have a tough challenge dealing with rubbish and waste. Please consider taking home as much plastic waste as you can (e.g. water bottles).
- Choose environmentally friendly products: By using environmentally friendly (bio degradable) sun creams, shampoos and detergents you can help reduce pollution.
- Respect local customs and traditions: As you are a guest in these countries, you should also comply with the local customs. If you are friendly and well mannered, the locals will reciprocate and it will only enhance your experience. It's important to follow dress and behaviour guidelines especially when visiting religious or sacred sites (your tour leader will advise you how best to do this).
- If a client commits an illegal act the client may be excluded from the tour and Egypt Uncovered shall cease to have responsibility to/for them. No refund will be given for any unused services.

All porters are employed and equipped following guidelines set by the International Porter Protection Group (IPPG).

15. Before you travel

It is important when considering and preparing to travel anywhere in the world that you have a good understanding of the country you are visiting, its laws and customs, and the possible risks and situations that may occur. This includes specific risks related to your itinerary (eg. does it involve water & can you swim, are you fit enough for the activities included), as well as more general risks such as terrorism and natural disasters.

General details and links to more information about health risks, visa requirements, money, and travel insurance are given in these tour notes. We recommend that you re-read all these before your departure as well as the small print

of your travel insurance policy so you know exactly what is covered and what is not.

You should take copies of your important travel documents with you and ideally also store them online securely as a backup. Make sure that you have given us your emergency contact details and told that person where and when you are travelling. Ensure you take enough money with you and that you have access to emergency funds.

Finally, you should read through and stay updated with the current [official government travel advice](#) for your destination. We are registered partners with the UK Foreign Office's ['Travel Aware' campaign](#) which provides further useful and invaluable information.
